SUBJECT: CHARLESTOWN NAVY YARD:
FINAL DESIGNATION OF REDEVELOPER, BUILDING 62

SUMMARY: Memorandum requests Final Designation of Building 62 Limited Partnership as redevelopers of Building 62 at the Charlestown Navy Yard, grants Final approval to plans and specifications for the rehabilitation of the building, and authorizes the execution of a lease for the property.

As you are aware, the redevelopment of the commercial portion of the Navy Yard has been dramatically accelerated over the past two years by the Authority's granting of Final Designations for Buildings 33, 34, 39 and 75 and significant subleasing and occupancy in Buildings 33, 34, 36, 39, 120, 149, and 266. The subleasing of these buildings will result in the occupancy of approximately 625,000 square feet of space by the end of this year and an on site employee population in excess of 2400 persons.

The redevelopment of Building 62 represents the restoration of one of the more architecturally significant buildings in the Navy Yard. The building, which formerly served as the Hemp House and Rope Testing Laboratory, was designed by Alexander Parris, and was built in conjunction with the rest of the Ropewalk complex in 1836 & 1837. The developer has submitted a design, prepared by the Stephen Blatt Associates, which retains the historic nature of this building, while refitting it for modern commercial office use. The developer's proposed renovation minimizes alteration to its historic character. From the new plaza, one will enter the offices through a full height lobby designed to expose the existing structural truss and clerestory monitor. The preliminary interior design maximizes activity at the windows by internalizing circulation, thereby enlivening the building exterior. The design has been reviewed by the Engineering and Design Staff of the Authority and has been submitted to the National Park Service (U.S. Department of the Interior). At completion, the project will offer 37,000 square feet of office space on two full floors and a mezzanine level.

Financing for the project will be provided by BayBanks in the amount of \$4,300,000. The project architect is Stephen Blatt Associates, with R.E. Duyette Company of Boston serving as general contractor. Counsel to the development team is the Boston firm of Warner and Stackpole.

The Tentative Designation of this project, voted March 6, 1986, was granted to New Medico Associates and the Kendall Development Corporation. Since that time, these same two entities have formed a Massachusetts Limited Partnership for the redevelopment of this building, named the Building 62 Limited Partnership. A disclosure statement outlining the principals involved in this project has been filed and is attached to this memorandum.

The benefits of the project to the City and the Authority are substantial. Upon completion, the project will produce 175 permanent jobs, will pay a base rent to the Authority of \$37,000 per year, and will pay \$101,000 in annual Real Estate Tax Payments to the City of Boston. The developer will also pay a percentage rent of 15% of net revenues from the project to the Authority, a fee for maintenance services in the yard, and an additional fee for security. The developer also proposes to fund an impressive series of public landscape improvements, at a cost of \$544,000. The improvements include a granite paved, tree lined plaza in the area between Buildings 60, 62, and 96. Finally, consistent with other projects in the Historic Monument Area, the developer has agreed to make a contribution to the Charlestown Community Fund equal to \$1.00 per square foot of the improved building. This contribution is to be made in equal installments, the first one being due upon the issuance of a Building Permit and the second due upon the issuance of a Certificate of Occupancy.

It is recommended, therefore, that the Building 62 Limited Partnership be given Final Designation as redevelopers of Building 62 in the Charlestown Navy Yard, and further that the Director be authorized to execute a lease and other appropriate documents with the developer for this project.

An appropriate resolution is attached.

3.1 Commencing on the Lease Commencement Date, Tenant covenants and agrees to pay to Landlord without demand, abatement, deduction or offset, as rent, in lawful money of the United States, annual rental as follows:

A. If the Commencement Date shall be other than the first day of the month, the same proration shall apply to the rent due for the last month of the Term of this Lease.

Tenant may submit a proposal to Landlord for Improvements on the Outdoor Space. If the Landlord accepts said proposal, Tenant shall pay additional rent to be agreed upon by the parties for each square foot of the Outdoor Space. Outdoor Space rent shall thereafter be paid until

the Lease Expiration Date. The design layout of the Outdoor Space shall be subject to design review approved by the Authority.

On the fifth anniversary of the Commencement Date, the Base Rent shall be increased by an amount equal to the cumulative Consumer Price Index ("CPI") for the preceding five (5) years. On the sixth anniversary of the Lease Commencement Date and every year thereafter, the Base Rent shall be increased by an amount of the previous year's CPI; provided however, that in no year shall the increase in Base Rent exceed five percent (5%).

B. Additional Rent. Tenant shall also pay as additional rent:

(1) Annually for each Lease Year or partial Lease Year during the term hereof a sum equal to fifteen percent (15%) of the amount of the Net Cash Flow for each such Lease Year ("Percentage Rent"), payable monthly in advance based on a budget prepared annually and submitted to Landlord not less than sixty (60) days prior to the beginning of each Lease Year; and

(2) As and when the same are received by or made available to or for the benefit of Tenant, fifteen percent (15%) of all Net Refinancing Proceeds.

C. For purposes of this Lease, the following terms shall have the following meanings:

(1) The term "Net Cash Flow" shall mean the amount by which Gross Revenue during any given Lease Year exceeds Allowed Deductions during such

Lease Year. ~~first interval~~

(2) The term "Gross Revenue" shall mean:

(a) All revenues and the fair market value of all services, goods or the like of every type and from every source whatsoever (including ~~rents~~, without limitation Occupancy Tenants) received by the Tenant, or received for the benefit of Tenant, with respect to the use, occupancy or other utilization of space in, or other facilities of, the Property under any use, occupancy or other agreements, written or oral and however ~~made~~ denominated (other than security and other ~~deposits~~ deposits returnable upon expiration of any occupancy lease, except that any such security and other deposits which become the property of the Tenant shall be treated as part of Gross Revenue at such time as they become the property of Tenant); ~~in the manner required or permitted by~~

(b) Payments from the Tenant at market rentals for any space which it or any person associated with it occupies or uses in the Property, the Tenant hereby agreeing to make such payments on an annual basis. The market rentals therefor shall be based upon rentals for ~~the~~ reasonable comparable space in the Property and as if such space were leased for a term of five (5) years, such market rental rate to be re-calculated

at five (5) year intervals:

(c) All interest earned on a reserve account taken as an Allowed Deduction under Section 3.1C(3)(a), except to the extent such interest is retained in and as a part of such reserve account, subject to the limitations set out in said Article 3, Section 3.1(C)(3)(a).

Gross Revenue shall be computed in accordance with the generally accepted accounting principles consistently applied.

(3) The term "Allowed Deductions" shall mean the following amounts actually paid with respect to the Lease Year in question:

(a) All Impositions (as hereinafter defined in Article 4, Section 4.1) and all reasonable and customary charges incurred for the maintenance, protection, conservation and operation of the Property in the manner required or permitted by this Lease and consistent with the operation and management from time to time of like rehabilitated properties in the City of Boston as and to the extent the same are considered ordinary in the business and necessary for its operation, including without limitation; payments made by Tenant for insurance premiums, legal expenses, management expenses, telephone and utilities, fuel, repair and maintenance, accounting,

statistical or bookkeeping services or equipment, salaries, advertising and promotion, commissions and other compensation for leasing, alterations and repairs incidental to the marketing and leasing of the Property to potential Occupancy Tenants and to making space ready for Occupancy Tenants, other charges for operation and management of the Property and the Partnership; and amounts paid to a reserve account, actually maintained by Tenant and held by the Depository, for replacements and capital improvements, provided that, with respect to any such reserve account:

(i) the amount deposited therein in any Lease Year shall not exceed two percent (2%) of Gross Revenues for such Lease Year; and

(ii) withdrawals made therefrom shall only be for the purpose of paying for the acquisition and installation of physical assets which replace, or appreciably lengthen the life of an existing asset or add to the asset base of the Property.

(b) Payments made by Tenant to Landlord of Base Rent;

(c) Payments made by Tenant for fees pursuant to Article 4, Sections, 4.11 and 4.12 and Article 30, Section 30.2;

(d) An amount which shall be computed by multiplying Total Project Costs (as defined in Section 31.10 below) by twelve and one-half percent (12.5%);

(e) If Tenant is required, in connection with the restoration of damage or destruction caused by a casualty or as a consequence of a taking by eminent domain, to deposit any amount or amounts with the Depository under the Provisions of Section 13.1(c), a deduction shall be allowed and calculated in order to amortize each amount so deposited over the shorter of (i) the useful life of the restoration or repair, or (ii) the then balance of the term of this Lease, (except with respect to amounts so deposited because Tenant has failed to maintain casualty insurance on the Improvements in accordance with the Provisions of this Lease);

(f) If Tenant commences restoration of damage caused by casualty or as a consequence of a taking by eminent domain prior to collection of the "Amounts" (as defined in Section 13.1) receivable with respect to such casualty or taking, a deduction shall be allowed for all interest incurred by Tenant, prior to the receipt of the amounts, for the interim financing of such restoration.

Except as otherwise herein provided, Allowed Deductions shall be computed on a cash basis in accordance with generally accepted accounting principles consistently applied.

(4) The term "Financing" means the original principal amount of funds provided by an Institution (as defined in Section 31.6) either (i) entirely as debt secured by a Leasehold Mortgage on the Property, or (ii) partly as debt so secured and partly as an equity investment in the Property. The term "Refinancing" means replacing all or a portion of the then existing Financing with new Financing, except that Refinancing shall not include the replacement of the initial construction financing for the Improvements by the initial permanent financing except to the extent that said permanent financing exceeds total project costs. The term "Net Refinancing Proceeds" means the amount by which the proceeds of Refinancing (reduced by the reasonable expenses incurred by Tenant in connection with the Refinancing) exceed the greater of Total Project Costs or the then outstanding principal balance of the existing Financing.

D. In order that Landlord may receive the Percentage Rent required hereunder in equal monthly installments during each Lease Year, Tenant agrees to submit to Landlord not less than sixty (60) days prior to the beginning of each Lease Year a budget (the "Percentage Rent Budget") which

shall set forth a detailed projection (using the foregoing definitions and setting their computations out in separate calculations) of Percentage Rent for the ensuing Lease Year. Except as provided below, notwithstanding a dispute by the Landlord of the reasonableness of the Percentage Rent Budget, Tenant shall pay to Landlord, as Percentage Rent, commencing on the first day of the first month of such ensuing Lease Year and thereafter continue to pay to Landlord on the first day of each month of such Lease Year, an amount equal to one twelfth (1/12th) of the Percentage Rent projected in such budget, or one-twelfth (1/12th) of the actual Percentage Rent paid to Landlord for the preceding Lease Years, whichever is greater, but only if the greater amount does not exceed the lesser amount by more than twenty percent (20%); otherwise, payments shall be based on the lesser figure plus twenty percent (20%) thereof.

Landlord may at any time within sixty (60) days after the receipt of the Percentage Rent Budget make such investigations and inquiries as Landlord determines to be appropriate in order to evaluate the reasonableness thereof (including without limitation, and audit and/or examination of the books and records of Tenant with respect to all financial matters relevant to the operation of the Property). If, within said sixty (60) day period Landlord should determine in the exercise of its reasonable judgment that the Percentage Rent Budget understates the amount of

Percentage Rent reasonably to be anticipated for the ensuing Lease Year, then Landlord may make a revised estimate of the Percentage Rent anticipated for such Lease Year ("Adjusted Percentage Rent") and, based thereon, Tenant shall increase its monthly payments of Percentage Rent for the remainder of such Lease Year so as more accurately to reflect Percentage Rent as estimated by Landlord to be due for such ensuing Lease Year. After paying three (3) consecutive months of Adjusted Percentage Rent, if Tenant can provide a CPA's financial statement which supports Tenant's Percentage Rent Budgets and evidences an overpayment of Percentage Rent by Tenant then Tenant shall be credited in the next following month with such amounts as Tenant has overpaid and Tenant shall pay in the subsequent months the amount indicated by Tenant's CPA.

E. Within ninety (90) days after the end of each Lease Year, Tenant shall furnish to Landlord a detailed, true, correct and complete statement (the "Year End Financial Statement") of all income, expenses, and other financial matters reasonably necessary to determine, and setting forth a calculation of, the amount of Net Cash Flow of the Property and of the Percentage Rent due Landlord for the immediately preceding Lease Year, prepared in conformity with the requirements of this Lease by an independent certified public accounting firm selected by Tenant and approved by Landlord. Without limitation, the Year End Financial Statement shall provide (a) a complete statement

of revenues and expenses on a cash basis; (b) a statement showing changes in the balance of all reserve accounts and financings secured in whole or in part by the Property; and (c) a reconciliation with financial statement for which an opinion has been rendered, audited under generally accepted auditing standards. If the Year End Financial Statement shows a deficiency in the payment of Percentage Rent for the preceding Lease Year, Tenant shall promptly pay such deficiency and if the Year End Financial Statement shows an overpayment of Percentage Rent, the amount of such overpayment shall be credited against payment of Base Rent, Percentage Rent and Additional Rent next falling due hereunder, but reserving in the Landlord the right, in all events, first to offset against such overpayment any sums owing but unpaid by Tenant to Landlord under this Lease.

F. At the time Tenant delivers to Landlord the Year End Financial Statement, Tenant shall also deliver a statement setting forth the name of each current Occupancy Tenant, the term of the leases under which Occupancy Tenants hold possession, the rental being paid under said leases, the square footage and location of the areas subject to said leases, and such additional information as Landlord may require after written notice to Tenant of the same.

G. Landlord reserves the right to conduct an independent audit of Tenant's records regarding all fiscal matters relevant to the Property to ascertain the accuracy of any Year End Financial Statement submitted by Tenant. This

independent audit may be conducted at any time within two (2) years of any Lease Year and may be conducted by an accounting firm of Landlord's choice. Such independent audit shall be conducted by a nationally recognized accounting firm (or by an independent certified public accountant selected by Landlord and approved by Tenant, which approval shall not be unreasonably withheld) and if the amount of Net Cash Flow as shown on such independent audit shall exceed by more than five percent (5%) that shown in any such Year End Financial Statement submitted by Tenant, the Tenant shall pay the total cost thereof; otherwise, the cost of such audit shall be borne by Landlord.

H. On or before the 15th day of each April, July, October and January during the term of this Lease, Tenant shall deliver to Landlord, if Landlord so requests by written notice to Tenant, a statement itemizing the Gross Revenue and the Allowed Deductions during the quarter-annual period just ended (i.e., the quarter-annual periods ending, respectively, March 31, June 30, September 30, and December 31) together with a statement as to any (i) Occupancy Tenants terminated and/or cancelled, (ii) new Occupancy Tenants created, and (iii) such other information as may be relevant to computation of amounts due Landlord hereunder.

3.2 It is the intention of the parties hereto that the rent provided for in this Article shall be absolutely net to

Landlord throughout the term of this Lease. Except for any debt service charges incurred in connection with financing obtained by Landlord on its reversion hereunder or interest herein and except as otherwise expressly provided in this Lease, in order that such rent shall be absolutely net to Landlord, Tenant shall pay and save Landlord harmless from and against all Impositions, insurance premiums, carrying charges, costs, expenses and obligations of every kind and nature whatsoever relating to the ownership, leasing or operation of the Property which may arise, accrue or become due during the term of this Lease.

ARTICLE 4

PAYMENT OF TAXES AND OTHER CHARGES; AND PAYMENTS

4.1 Commencing on the Lease Commencement Date and continuing for the entire term of this Lease, as part of the consideration of this Lease and as additional rent hereunder, Tenant agrees to pay and discharge or cause to be paid and discharged promptly as the same become due and payable, all taxes, assessments, charges, license fees, municipal liens, levies, excise taxes or imposts, whether general or special, ordinary or extraordinary, imposed by any governmental authority as a result of or with respect to the ownership or use of the Leased Premises or the Improvements or the Building Service Equipment located thereon which may be levied, assessed, charged or imposed, or may be or become a lien or charge upon the Property, or

any part thereof or upon the leasehold estate hereby created, or upon the Landlord solely by reason of its ownership of the Leased Premises. If at any time during the term of this Lease the methods of taxation or assessment or rate determination applicable to real and personal property prevailing at the Lease Commencement Date shall be altered so that in lieu of any Imposition described in this paragraph there shall be levied, assessed or imposed an alternate tax, however designated, such alternate tax shall be deemed an Imposition for the purposes of this Lease (including this Article) and Tenant shall pay and discharge such Imposition as provided by this Article. Nothing contained in this Lease shall be construed as imposing upon Tenant any obligation to pay any income, estate, inheritance, succession, capital levy or transfer tax imposed on the Landlord and growing out of or levied in connection with the Landlord's right in the Leased Premises.

4.2 Any Impositions required to be paid by Tenant which shall relate to the Lease Year during which the term of this Lease shall commence or terminate shall be prorated between Landlord and Tenant as of the date of such commencement or termination. Tenant shall pay all assessments and charges of every type whether general, special, ordinary or extraordinary, which are assessed or levied against or with respect to the Property during the term of this Lease. If the law expressly permits the payment of such assessments or levies in installments, Tenant may

utilize the permitted installment method, but shall pay each installment thereon before delinquency. If Tenant shall have permitted or elected to have such assessments or levies made payable in installments over a period of time which extends beyond the date this Lease expires or otherwise terminates, the entire unpaid balance of such assessments or levies against the Property during the term hereof and applicable to the period of the leasehold estate created hereby shall be paid by Tenant prior to or upon the expiration of the term hereof or upon any earlier termination of this Lease by depositing such unpaid balance in cash with Landlord, except to the extent that any Occupancy Tenants are required to pay such amounts pursuant to the terms of subleases allowed hereby.

4.3 Tenant shall within ten (10) business days of payment and in any event on Landlord's request, deliver to Landlord copies or duplicate receipts (or, if the same are not available, other materials acceptable to Landlord) showing timely payment of all Impositions paid by Tenant as required by this Lease.

4.4 Tenant shall make all payments of all Impositions directly to the charging authority before delinquency and before any fine, interest or penalty shall become due or be imposed by operation of law for their nonpayment. In the event Tenant fails to make timely payment, Tenant shall be liable for all fines, interest and penalties imposed, and related costs.

4.5 In the event that the Leased Premises are not separately taxed or assessed, then, in that event, the Imposition as levied shall be apportioned between the Leased Premises and such other areas with which it is assessed in such manner that Tenant shall pay only an equitable portion of any such Imposition. Landlord shall indemnify and hold Tenant harmless from all loss, cost and expense which it may suffer or incur because of the failure on the part of Landlord to pay the Impositions on the Property of which the Leased Premises are a part, provided that Tenant shall not be in default of its obligations to pay its equitable portion of such Impositions.

4.6 Subject to the provisions hereof, Tenant shall have the right to contest or review by appropriate legal or administrative proceedings, any Imposition or other charge or levy which the Tenant is required to pay pursuant to the provisions of this Article.

Whenever the Tenant desires to contest the amount or validity of any Imposition, it shall first give written notice to the Landlord of its intention to do so, and, at the option of the Landlord, the Tenant shall, from time to time during the pendency of such proceedings, deposit with the Depository (as defined in Section 31.14) in an interest bearing account, as security for the payment of such Imposition, money in the amount owed to pay said Imposition, together with all interest and penalties in connection therewith, and all charges that may be assessed against or

become a charge on the Property or any part thereof, in said proceedings. Any moneys so deposited by Tenant and the reasonable cost of providing such security shall be an "Allowed Deduction" at the time paid or incurred for purposes of the calculation of "Net Cash Flow" under Article 3, Section 3.1(C) (3) provided that, when the need for such security terminates, the balance of any moneys so deposited and not applied in Payment of an Imposition shall be treated as Gross Revenue under Section 3.1(C) (2). If the Tenant shall not have theretofor paid, removed and discharged the Imposition and the interest and penalties in connection therewith, and the charges accruing in such proceedings, then, upon the termination of such proceedings, the money (together with any interest hereunder) shall at the direction of the Landlord be applied to the payment, removal and discharge of said Imposition, if any, then payable and the interest and penalties in connection therewith, and the charges accruing in such proceedings, and the balance, if any, shall be paid or returned to the Tenant, but reserving in the Landlord the right, to direct that the money (together with any interest hereunder) be paid to it in order to offset against such balance any sums owing but unpaid by Tenant to Landlord under this Lease.

In the event that the money so deposited shall be insufficient for this purpose, the Tenant shall forthwith pay over to the Depository the amount of money owed, in Landlord's reasonable opinion, together with the money

pursuant to this Section 4.6, to pay the same.

Nothing in this Article, except as hereinabove provided, shall be construed as relieving, modifying or extending the Tenant's covenant to pay any such Imposition and all other charges incident thereto at the time and in the manner provided in this Article.

4.7 The Landlord shall join in any such proceeding where such joinder shall be necessary in order properly to prosecute such proceeding and the Landlord shall have first been fully indemnified against all liability in connection therewith. The Landlord may retain its own counsel or request that Tenant provide Landlord with appropriate legal representation. The Landlord shall not be subject to any liability for the payment of any costs or expenses in connection with any proceeding brought by the Tenant, and the Tenant covenants to indemnify and save harmless the Landlord from any such costs or expenses, including reasonable legal fees.

4.8 The certificate, advice or bill of the appropriate official designated by law to make or issue the same or to receive payment of any such Imposition of the non-payment of any such Imposition, shall be prima facie evidence that such Imposition is due and unpaid at the time of the making or issuance of such certificate, advice or bill.

4.9 The Tenant shall also pay or cause to be paid all taxes or excises on rent and income received by the Tenant from Occupancy Tenants, all permit, inspection and license

fees, franchise or transfer taxes and all other public charges, however described, made or imposed by the City of Boston, the Commonwealth of Massachusetts, the federal government or any other public authority by reason of or in respect of the Tenant's interest in this Lease transaction or any document to which the Landlord and the Tenant (or the Tenant alone) is a party, creating or transferring an interest or estate in the Property or any part thereof; or by reason or in respect of the business of the Tenant or the occupancy, use or possession of the Property, or any part thereof, or of any sidewalk, street or alley, or part thereof, adjoining the same, including any permit and inspection fees, or taxes or other public charges made or imposed upon the Landlord as owner of the Leased Premises by reason of the Tenant's involvement with the Property.

4.10 It is the express intent of the Parties that the Property be fully taxable to the Tenant as if the Tenant were the fee owner thereof, notwithstanding any law or regulation to the contrary and the Tenant hereby agrees to make no claim or take any action the purpose of which would be to claim that the Property is exempt, directly or indirectly, from taxation. If the Property shall for any reason be treated as so exempt, the Tenant shall pay, in semi-annual payments on January 1 and July 1 of each Lease Year, a sum which would equal the amount of taxes that would be reasonably levied against the Property but for its tax exempt status, as if the Tenant were the fee owner thereof,

and all such payments shall be Impositions for all purposes of this Lease, including this Article 4 and the calculation of Net Cash Flow under Article 3, Section 3.1(C). Such sums shall be payable as additional rent and shall be determined by the Landlord using as the basis therefore the amount of taxes assessed against reasonable comparable properties in the City of Boston.

For purposes of this Section 4.10, it is hereby agreed that commencing on the Lease Commencement Date and continuing until the July 1 date subsequent to the first tax assessment date subsequent to the Lease Commencement Date, Tenant shall pay to Landlord its prorata payment in lieu of tax using the Base Rent capitalized at 10% (ten percent) as the assessment multiplied by the latest commercial tax rate.

If any time during the term of this Lease, the Property were to be taxed directly to Tenant or Landlord by the City of Boston, Tenant shall retain all rights to appeal such assessment including but not limited to the right to seek a tax abatement.

4.11 Tenant shall pay a security fee equal to \$.05 per gross square foot of the improvements to the Property per annum for the support of security services in the Navy Yard commencing January 1, 1987 and will continue until such time as the Landlord determines that such security services are no longer necessary. Said fee shall be subject to an escalation formula for the remainder of the Lease Term.

4.12 Tenant shall pay a maintenance fee equal to \$.05

per gross square foot of the improvements to the Property per annum commencing one month after receipt of a certificate of occupancy and thereafter is subject to an escalation formula for the remainder of the lease.

consent of Landlord, which consent Landlord shall not unreasonably withhold.

ARTICLE 5

5.3 POSSESSION, USE, COMPLIANCE WITH LAWS, MAINTENANCE AND REPAIRS

5.1 Possession of the Leased Premises shall be delivered by Landlord to Tenant upon the Lease Commencement Date free and clear of all tenants and occupants and also free of all liens and encumbrances, all except for those matters disclosed in the Permitted Exceptions set forth in Exhibit "B" and such other liens, rights or encumbrances as the Tenant may have approved in writing. The Leased Premises are to be delivered in their present condition, "as is", it being agreed that the Tenant has had an opportunity to examine the same in all respects (including subsurface conditions and utilities), that the Landlord has made no representations or warranties of any kind with respect to such condition and that the Landlord shall have no obligation to do any work on or with respect to the Leased Premises, or the condition thereof.

5.2 The Leased Premises and the Improvements shall continuously and without interruption, subject to vacancies arising in the ordinary course of the operation of the

Property, be used and devoted solely to a mixture of office, retail and commercial space all in accordance with legal requirements from time to time applicable thereto and for no other purpose or purposes without first obtaining the consent of Landlord, which consent Landlord shall not unreasonably withhold.

5.3 The Tenant agrees throughout the term of this Lease, at the Tenant's sole cost and expense, properly to maintain, or cause to be maintained, the Property and each and every part thereof in good order and condition in all respects, subject to reasonable wear and tear (but not obsolescence), free of accumulation of dirt, rubbish, snow and ice, and to make all necessary repairs, interior and exterior, structural and non-structural, ordinary as well as extraordinary, foreseen as well as unforeseen, in order to maintain the Property as required hereby. When used in this Article, the term "repair" shall include replacements or renewals when necessary, and all such repairs made by the Tenant shall be at least equal in quality and class to the original work. The provisions and conditions of Section 13.2 and 13.4 of Article 13 hereof applicable to changes or alterations shall, mutatis mutandis, apply to maintenance and repairs required under this Section.

5.4 The Tenant agrees throughout the term of this Lease, at the Tenant's sole cost and expense, promptly to comply with, and cause the Property to be maintained in conformity with, and not in violation of, all laws and

ordinances (including without limitation, the provisions of the Plan) and the orders, rules, regulations and requirements of the federal, state and city governments and appropriate departments, commissions, boards, bureaus, agencies and offices thereof, and the orders, rules regulations and requirements of the water, sewer, electrical or other inspection departments with jurisdiction in the City of Boston and Board of Fire Underwriters (or any other body now or hereafter constituted exercising similar functions), whether such laws, ordinances, orders, rules, regulations and requirements are foreseen or unforeseen, ordinary or extraordinary, and whether or not the same require structural repairs or alterations. The Tenant will, likewise, observe and comply with the requirements of all policies of public liability, fire and all other policies of insurance at any time in force with reference to the Property (or Improvements thereon). The provisions and conditions of Sections 13.2 and 13.4 of Article 13 hereof applicable to changes or alterations shall, mutatis mutandis, apply to work required to be done under this Section.

The Tenant shall not, however, be in violation of the foregoing requirements when, in good faith, it contests, by appropriate legal proceedings, the validity or applicability of any law, ordinance, order, rule, regulation or requirement of any governmental agency and, unless civil or criminal liability against the Landlord may result therefrom, the Tenant may delay compliance therewith until

the final determination of such proceeding, provided, in the case of any contest and delay in compliance:

(a) the Tenant shall notify the Landlord forthwith, upon notice or actual knowledge of any violation or alleged violation of any such law, ordinance, order, rule, regulation or requirement, of its intention to contest the same; and, thereafter, shall, from time to time, and on the request of the Landlord, advise the Landlord of the status of any such proceedings;

(b) the Tenant shall indemnify, save harmless and defend the Landlord (with counsel of Tenant's selection, but subject to approval by Landlord, which approval shall not be unreasonably withheld), from any loss, cost, liability or expense which may be incurred by the Landlord by reason of such non-compliance or delay;

(c) the Tenant shall prosecute such contest of validity or applicability to conclusion with all due diligence; and

(d) the Tenant shall pay over to the Depository, on the request of the Landlord, security for the faithful performance and observance of its obligation to comply with any such law, ordinance, order, rule, regulation or requirement, and for the payment of any penalties which may accrue by reason of non-performance or delay in compliance therewith, if it should be finally determined that the same is valid and applicable.

The provisions of Section 4.6 hereof (relative to the

contest of Impositions) shall be applicable, mutatis
mutandis, to the time, amounts and kind of security which
the Landlord may require under this Section, and the holding
and disposition of the same, to the end that, for this
purpose, the cost and expense of possible compliance with
governmental requirements aforesaid shall be treated as an
Imposition.

5.5 The Tenant agrees to indemnify, defend (with
counsel of the Landlord's selection, but subject to approval
by Tenant, which approval shall not unreasonably be
withheld), and save harmless the Landlord against and from
any and all claims by or on behalf of any person, firm or
corporation, arising during the term of this Lease or any
period in which Tenant shall occupy or operate any part or
all of the Property from the conduct or management of or
from any work or thing whatsoever done in or about the
Property, and will further indemnify, defend (with counsel
of the Landlord's selection, but subject to approval by
Tenant, which approval shall not unreasonably be withheld)
and save harmless the Landlord against and from any and all
claims arising during (even though asserted after) the term
of this Lease from any condition of the Property, or arising
from any breach or default on the part of the Tenant in the
performance of any covenant or agreement on the part of the
Tenant to be performed under the terms of the Lease, or
arising from any act or neglect of the Tenant or any of its
agents, contractors, servants, employees or licensees, or

anyone claiming by, through or under the Tenant, or arising from any accident, injury or damage whatsoever caused to any person, firm or corporation occurring during the term of this Lease, in or about the Property. Notwithstanding the foregoing, nothing herein shall obligate the Tenant to indemnify, defend or save harmless the Landlord from any claims arising solely out of the negligence or default of Landlord, its agents, contractors, servants or employees.

5.6 The Tenant agrees to pay and be liable for the payment of all costs and charges, including the reasonable fees of counsel engaged by the Landlord and the amounts of all judgments and decrees in any action or proceeding incurred in exercising rights of the Landlord under this Lease on account of any default or breach of condition by the Tenant, or occurrence of condition which, under this Lease, confers upon the Landlord the right to exercise remedies available to the Landlord in the event of default of the Tenant, including, without limitation, such costs and expenses incurred in enforcing the Landlord's right to possession of the Property after the expiration or earlier termination of the term of this Lease to the extent the Landlord prevails in such actions or proceedings.

5.7 For the purposes of this Article, sidewalks which adjoin or abut the Leased Premises and the areas referred to under Article 26 hereof, shall throughout the term of this Lease, be kept by Tenant free of accumulation of dirt, rubbish, snow and ice. The Landlord and Tenant agree that

no commercial activities shall be conducted upon the areas referred to in the preceding sentence without their mutual written consent.

To the extent that legal liability for maintenance thereof is imposed upon any private owner of property in the jurisdiction in which the Leased Premises lies, the Tenant shall perform the obligations on the part of any such owner required to be performed under applicable law with respect to any other public areas, such as streets and vaults, adjoining the Leased Premises, for which under applicable law, a private owner of property abutting the same may be responsible.

ARTICLE 6

CESSATION OF USE; NO ABATEMENT OF RENT

6.1 Except as otherwise specifically provided in this Lease, this Lease shall not be terminated, the respective obligations of the Parties shall not be affected and no abatement, refund, offset, diminution or reduction of Base Rent, Percentage Rent or amounts due as additional payments shall be claimed by or allowed to Tenant or any person claiming by, through or under Tenant, under any circumstances whatsoever, whether for inconvenience, discomfort, interruption, cessation or loss of business, or otherwise, or whether arising from the making or alterations, changes, additions, improvements or repairs to any

building or other Improvements now on, under or above or which may hereafter be erected on, under or above the Leased Premises, or whether by virtue or because of any present or future governmental laws, ordinances, regulations, direction or action, or for any other cause or reason whatsoever and whether or not stated in or implied by the foregoing. Landlord may exercise reasonable efforts to control development within the immediate vicinity of the Leased Premises so that future development of the immediate vicinity does not unreasonably interfere with Tenant's proper use of the Leased Premises.

ARTICLE 7

DESIGN REVIEW; CONSTRUCTION OF IMPROVEMENTS;

CERTIFICATE OF COMPLETION

7.1 (a) The Development Review Procedures attached to this Lease as Exhibit C sets forth the formal stages of submissions and approvals of the Schematic Design, the Design Development and the Contract Document (collectively, the "Design Materials") for the Improvements to be constructed and installed by the Tenant in the redevelopment of the Leased Premises. In the event that any provision of the Development Review Procedures shall be inconsistent with any other provision of this Lease, then this Lease shall prevail over such inconsistent provision, otherwise the

Development Review Procedures shall be treated as supplemental to this Lease.

The scope of review by the Landlord of Design Materials submitted in accordance with this Article 7 and the Development Review Procedures shall not extend to the design or layout of interior spaces not visible by the general public, nor to structural, electrical, mechanical or plumbing designs except to the extent that the selection of any structural, electrical, mechanical or plumbing system impacts the design of exterior elements of the Improvements.

(b) Within sixty (60) days after the date hereof, Tenant shall submit to Landlord the Contract Documents for the Improvements (as described in the Development Review Procedures) provided, however, that Tenant shall not be required to submit structural, electrical, mechanical or plumbing plans and specifications except to the extent that such systems impact the exterior elements of the Improvements. The Landlord shall review the Contract Documents for conformity with the approved Design Development and shall, within ten (10) business days of receipt thereof, either approve the Contract Documents or notify the Tenant in writing of disapproval, specifying the respects in which the Contract Documents are disapproved.

In the event of a disapproval, the Tenant shall, within thirty (30) days after the Tenant

receives the written notice of such disapproval, resubmit the Contract Documents altered in those respects specified by the Landlord as the grounds for disapproval. The resubmission shall be subject to the review and approval of the Landlord in accordance with the Development Review Procedures and the timetable hereinabove provided for an original submission, until the Contract Documents shall be approved by the Landlord.

If the Tenant receives no notification from the Landlord of such disapproval within ten (10) business days after submission of the Contract Documents or any correction thereof, as the case may be, such Contract Documents or corrected Contract Documents shall be deemed approved by the Landlord.

(c) The Landlord hereby acknowledges that it is the intention of the Tenant to undertake the Improvements in a manner which will qualify as the rehabilitation of a "certified historic structure" as defined in Section 48(g) of the Internal Revenue Code of 1954, as amended, which will require that the Secretary of the Interior of the United States (hereinafter referred to as the "Secretary"), approve the Contract Documents for and the construction of the Improvements. The Landlord hereby agrees that it shall administer the Development Review Procedures and the granting of approvals of Design Materials hereunder consistent with

the requirements of said Secretary. In any case in which there shall be a conflict between the requirements of the Landlord and the requirements of the Secretary for approval under Section 48(g) of the Internal Revenue Code, as amended, of the Design Material or construction of the Improvements, and such conflict is not resolved within thirty (30) days after the Secretary notifies the Tenant of such requirements, the requirements of said Secretary shall govern and shall bind the Landlord with respect to the items required by the Secretary.

(d) With respect to approvals of the Landlord under this Article 7 Section 7.1(a) through 7.1(c), above, once approval has been given of a submission stage, further review will be limited to consideration of the development or refinement of the previously approved submissions or to new elements which were not present in previous submissions.

(e) The Landlord acknowledges that the construction of the Improvements as shown in the Schematic Design requires the issuance to the Tenant of federal, state and municipal permits and approvals, some of which may depend upon examination of various elements of the Premises, including without limitation, approval by the Secretary and environmental impacts not fully assessed on the date hereof. If the Tenant is unable to obtain all such necessary permits and approvals for

construction of such Improvements, the Tenant shall redesign the Improvements to conform to any limitations or conditions imposed by the Secretary or such environmental review or in any such permit or approval, and the Landlord shall recognize any such limitation or condition in its response to submissions of Design Materials by the Tenant hereunder. In the event any such resubmission is required, the times for performance of the Tenant's obligations pursuant to this Agreement shall be extended for the periods of time required for the preparation of such resubmission.

(f) If the approved Schematic Design, Design Development or the Contract Documents for the Improvements shall be at variance with any development or dimensional controls of the Plan applicable to the Site, the Landlord shall adopt such minor modifications to such Plan as may be, in the opinion of the Landlord, necessary to construct the Improvements in accordance with the approved Design Materials.

(g) As part of its submission of Contract Documents, or prior to submission of completed Contract Documents but after approval or deemed approval of Design Development, the Tenant may submit plans and specifications prepared by the Architect for purposes of commencing work with respect to certain elements of the Improvements which may include site work, interior demolition, foundation work and other similar items

which the Tenant proposes to commence on a "fast-track" basis. The Landlord will promptly review said plans and specifications for "fast-track" construction and shall approve commencement of work on specific "fast-track" construction elements which are demonstrated to the satisfaction of the Landlord to be consistent with those portions of the Design Materials previously approved and with elements of the Contract Documents, if any have then been submitted by the Tenant, which are acceptable to the Landlord. As a condition to proceeding with construction of any "fast-track" element, Tenant must deliver to Landlord a copy of the construction contract for construction of such "fast-track" elements, a building permit for such "fast-track" elements and a performance and payment bond for such elements.

7.2 Landlord acknowledges that, prior to the execution of this Lease, Tenant has submitted to Landlord and Landlord has approved the Schematic Design for the Improvements and Landlord has granted Schematic Design Approval by letter executed by the Director on September 2, 1986, and thus Tenant has fulfilled all Schematic Design requirements established therefor by the Development Review Procedures.

7.3 Tenant shall not apply for a building permit with respect to all or any part of the Improvements or with respect to any changes or alterations requiring Landlord's approval under Section 8.1 hereof without the prior

certification of Landlord that the work to be done or completed as set forth in the permit application is in accordance with said Final Working Drawings and Specifications, as initially approved by Landlord or deemed approved pursuant hereto, or as subsequently amended and approved by Landlord. No work shall be done with respect to all or any part of the Improvements or with respect to such changes or alterations unless such work conforms with such approved, or amended and approved, Final Working Drawings and Specifications for that portion of the work to be performed. Notwithstanding the foregoing, Tenant may with Landlord's approval, apply for a building permit prior to the completion of Final Working Drawings for the purpose of commencing work with respect to certain elements of the Improvements in accordance with the procedures set forth in Section 7.1(g) of this Lease.

7.4 With respect to the Improvements:

(a) The Tenant shall begin the construction of the Improvements in accordance with the approved Final Working Drawings and Specifications as soon after the Lease Commencement Date as is reasonably practicable.

(b) The Tenant shall diligently prosecute to completion the construction of the Improvements and shall substantially complete such construction not later than eighteen (18) months from the first to occur of the Lease Commencement Date or the date on which any work is started on the Leased Premises relating to

construction of the Improvements, as such period may be extended pursuant to the provisions of Section 7.10 hereof, or such additional time beyond such eighteen (18) month period (as such eighteen (18) month period may be extended pursuant to Section 7.10 hereof) as may be approved by Landlord, which approval shall not be unreasonably withheld. Withholding of consent requested because of financial difficulties shall not be treated as unreasonable action by Landlord.

(c) Tenant shall submit to Landlord for its approval a detailed estimated progress schedule at the time construction of the Improvements is begun. This schedule shall be resubmitted not more often than quarterly until the construction of the Improvements has been completed, with actual progress shown in each submission. Each submission shall be accompanied by a written report by Tenant citing any adjustments to the progress forecast, analyzing the causes thereof, and, where applicable, noting corrective efforts. Such work of Tenant shall be subject to inspection by representatives of Landlord, and Landlord shall endeavor to notify Tenant promptly of any respects in which Landlord observes that Tenant is not proceeding with construction of the Improvements as required by this Lease and shall promptly furnish to Tenant copies of all reports prepared by representatives of Landlord in connection with such inspections. Upon receipt of

such notification, Tenant shall promptly undertake and proceed diligently to cure any such defects to the reasonable satisfaction of Landlord. Nothing herein shall be treated as allowing the Tenant an extension of time deadlines without Landlord's prior written consent (except as provided in Section 7.10 hereof), nor shall Landlord's inspections or actions or failure to act hereunder render Landlord liable to Tenant or any other party for failure of the Improvements to be constructed as required by the terms of the Lease.

(d) No change order or modification (referred hereinafter as "Change Orders") for an addition to or extension of the Improvements (as shown on the Final Working Drawings and Specifications) which would affect in any way the external appearance of public lobbies, arcades, open spaces or landscaping, or the external appearance of any building (including roof and penthouse) shall be issued or implemented unless such Change Order shall have been submitted to and approved in writing by Landlord prior to its issuance and implementation. If Landlord shall neither approve nor disapprove in writing within ten (10) business days of receipt by it of a notice containing such Change Order, then it shall be treated as having been approved. In the event Tenant shall fail to comply with the foregoing requirements, Landlord may, within a reasonable time after discovery thereof by Landlord,

direct in writing that Tenant modify or reconstruct such portion or portions of the Improvements erected or being erected as are not in conformance with the approved Final Working Drawings and Specifications or any approved modifications thereof or Change Order therefor, so as to bring them into conformance therewith. Tenant shall promptly comply with such a directive. In addition to any other remedies available under this lease, Landlord may enforce the provisions of this subsection (d) by an action in a court of appropriate jurisdiction to compel specific performance. Tenant shall send Landlord a copy of any other change order of modification relating to the Improvements as soon as the same has been approved by the Architect.

(e) With respect to the layout of the interior spaces which are visible by the general public, the following applies:

- i. Ceilings subject to view from outside the building shall be either smooth-finish white or off-white painted gypsum board, or suspended acoustical tile. Suspended acoustical tile shall be white or off-white in color, with small, non-directional surface texture. Suspension system shall be concealed. Ceiling systems shall provide a monolithic finished appearance, while

maintaining accessibility to equipment space above ceiling where required.

ii. Lighting fixtures mounted on ceiling areas subject to view from outside the building shall be limited to recessed fixtures with reflectors which minimize glare and brightness when viewed obliquely from below. Fixtures with lenses mounted flush or projected below the surface of the ceiling plane must be prohibited.

7.5 Tenant shall not discharge the Architect or General Contractor without cause or hire new or additional architects or general contractors or substantially alter or substantially amend the contract for architectural services between the Architect and the Tenant or the Construction Contract between the Tenant and the General Contractor without in each instance obtaining the prior written consent of Landlord which consent Landlord shall not unreasonably withhold.

7.6 No sign shall be erected or placed on the exterior of any Improvement on the Leased Premises, or on any portion of the Leased Premises which is not enclosed within a building, or which is visible to the Public from outside a building, unless the character, location, design, size, shape, form and lighting of such sign shall have been approved by Landlord in writing. Without limiting in any way the scope of Landlord's review, no sign shall be

approved which does not meet the following standards: signs may only be erected or placed upon the ground floor street facade of each store, if any, or other individual ground floor use as approved by the Landlord. Flashing signs, internally illuminated signs, exposed neons signs or signs relating to businesses other than those, if any, on the Leased Premises, shall not be permitted. All allowed signs shall conform to applicable laws and regulations, including the Boston Sign Code, the Plan and zoning requirements.

(a) Tenant agrees to make certain public improvements as shown on the plan attached hereto as Exhibit _____. The design of such public improvements and the materials used therefor shall be reasonably acceptable to Landlord and shall be included as part of the improvements in all plans submitted in accordance with the procedures set forth in Article 7 hereof. The cost of these certain public improvements shall be an amount not greater than Five Hundred Forty-Four Thousand (\$544,000.00) Dollars ("Public Improvement Funds").

(b) Tenant shall prepare a schedule containing budget projections and the estimated construction commencement and completion dates for each portion of the said public improvements. Such schedule shall be reasonably acceptable to the Landlord.

(c) In the event the Landlord determines that the estimated construction commencement date for the said Public Improvements or a portion thereof should be postponed for a

period of time greater than twelve (12) months from the issuance of the Certificate of Use and Occupancy (Completion) Tenant shall pay to Landlord the Public Improvement Funds or balance thereof, and upon receipt, Landlord shall place such Public Improvement Funds in escrow. Landlord shall expend such Public Improvement Funds held in escrow only for construction of the said public improvements as proposed by Tenant within two (2) years of the date of the issuance of the Certificate of Use and Occupancy. In the event all or any portion of the Public Improvement Funds are paid to Landlord, Tenant shall be deemed to have satisfied its obligations relative to that portion of the public improvements to which the escrowed Public Improvement Funds relate.

(d) If the Landlord, in its sole discretion, elects to postpone the installation of certain trees previously approved as part of the Public Improvements, then the furnishing and installation of the nine Zelkoya serrata "Japanese zelkova" trees indicated along the south wall of the Property shall be bid as an add alternate. The amount indicated for that add alternate in the bid form of the successful bidder for the construction contract shall be placed in an escrow account by the Owner to be used for the furnishing and installation of said trees at such time, whether during or after the construction of the Improvements on the Property, as restoration work on the Property is completed to the point that the planting of said trees will not cause risk of their damage or destruction as a result of

construction activities on the Property.

7.7 It is the general policy of Landlord that all buildings constructed or rehabilitated in urban renewal project areas shall be so designed to accomodate persons who are physically handicapped. In furtherance of this policy, and without limiting Tenant's obligation to comply with all legal requirements applicable thereto, the Design Materials (including the Contract Documents) shall include provisions conforming, insofar as practical, with the rules and regulations promulgated by the Architectural Barriers Board of the Commonwealth of Massachusetts, which rules and regulations, as amended from time to time, are hereby incorporated herein by reference. Landlord shall take into consideration the provisions and objectives of such Specifications in its review of and action upon the Final Working Drawings and Specifications.

7.8 Tenant shall erect and properly maintain at all times as required by the conditions and the progress of work performed by or at the request of Tenant from time to time during the term of this Lease, all necessary safeguards for the protection of workers and the public.

7.9 Tenant agrees for itself and every successor in interest to the leasehold estate in the Leased Premises, or any part thereof, that Tenant will take all steps necessary to enable it to, and that it will, commence construction of the Improvements, and that it will diligently prosecute and

complete the same, in accordance with the times set forth therefore in Section 7.4(a) and (b) hereof; provided however, that Tenant's obligations under Sections 7.4(a) and (b) hereof are subject only to delays occasioned by acts of God, general unavailability of labor or materials, governmental restrictions, strikes and other labor difficulties not caused by Tenant or like causes beyond the reasonable control of the Tenant. Financial inability to proceed shall never be treated as a cause beyond the Tenant's reasonable control.

It is intended and agreed that the agreements and covenants contained in Section 7.4 hereof shall be covenants running with the land and that they shall be, in any event, and without regard to technical classification or designation, legal or otherwise, and, except only as otherwise specifically provided in this Lease, to the fullest extent permitted by law and equity, binding for the benefit of the Landlord and enforceable by Landlord against Tenant and every successor in interest to or of the leasehold estate in the Leased Premises or any part thereof or any interest therein.

Landlord shall cooperate with and assist Tenant in every reasonable way in Tenant's efforts to obtain all governmental consents, approvals, permits or variances which may be required for the construction of the Improvements, but this obligation shall not require the expenditure of any monies by Landlord (including, without limitation,

expenditures for permits or approvals of any type).

7.10 Landlord shall during the term of this Lease comply with the terms and provisions of the Cooperation Agreement relating to the Plan between it and the City of Boston, dated June 10, 1965, as amended, (which is hereby incorporated herein by reference), and shall enforce all of its rights thereunder, to the extent such enforcement shall be necessary in Tenant's reasonable judgment to enable Tenant to meet its obligations hereunder.

7.11 The Improvements shall be deemed substantially completed for the purposes of this Lease when built in accordance with the provisions of this Lease, the approved Final Working Drawings and Specifications, and any approved modifications thereof, except for (i) items of work and adjustment of equipment and fixtures which can be completed after occupancy has been taken, i.e. so-called punch list items, (ii) landscaping which cannot then be completed because of climatic conditions, and (iii) with respect to the interior office space, items of interior work normally left for completion or to be completed by agreement pursuant to the requirements of specific Occupancy Tenants of any portion or portions of said office space. The construction of the Improvements shall incontestably be deemed substantially completed for the purposes of this Lease upon the issuance of a Certificate of Completion by the Landlord.

If the Landlord issues a Certificate of Completion prior to completion of the work described in clauses (ii)

and (iii) above and any and all other work which, in the reasonable opinion of the Landlord should be completed prior to the issuance of a Certificate of Completion, then the Tenant shall deposit with the Landlord, or, if required by any mortgagee, with the holder of the first mortgage on the Property pursuant to an escrow or holdback agreement approved by the Landlord, as security for the completion of such work an amount which, in the opinion of the Landlord, would cover the cost of such completion. Said deposit, if deposited with the Landlord, shall be in cash or by certified check or by other security satisfactory to the Landlord. The deposit shall be delivered simultaneously with the issuance of the Certificate of Completion. If such work is not so completed to the satisfaction of the Landlord, within a reasonable time after the issuance of such Certificate of Completion, and in any event within one (1) year of such issuance, except for the work described in clause (iii) above which shall be completed within a reasonable time of the leasing of each portion of such space, then the Landlord may apply such deposit to completion of such work.

Promptly after substantial completion of the Improvements in accordance with the provisions of this Lease, the Landlord will furnish the Tenant with the Certificate of Completion so certifying. Such certification by the Landlord shall be a conclusive determination of satisfaction and termination of the agreements and covenants in this

Lease with respect to the obligations of the Tenant and its successors and assigns to commence and complete the Improvements, except that such certification and such determination shall not constitute evidence of compliance with or satisfaction of any obligation of the Tenant to any holder of a mortgage, or any insurer of a mortgage, securing money loaned to finance the Improvements or any part thereof.

The certification provided for in this Section 7.11 shall be in such form as will enable recordation in the Registry of Deeds for Suffolk County, Commonwealth of Massachusetts or registration with the Suffolk Registry District of the Land Court.

Tenant agrees that Landlord shall be under no obligation to issue a Certificate of Completion until such time as the Landlord has had a reasonable opportunity to inspect the improvements constructed pursuant to the provisions of this Lease, the Final Working Drawings and Specifications (as modified by any Change Order approved by Landlord), provided, however, that the Landlord shall not be required to make an inspection hereunder unless the Tenant has requested by written notice to Landlord requesting that it issue a Certificate of Completion. For purposes of this Section, a reasonable opportunity for inspection shall be thirty (30) days from the receipt of Tenant's request for a Certificate of Completion.

If, after inspection of the Improvements, Landlord

shall refuse or fail to issue a Certificate of Completion in accordance with the provisions of this Section 7.11, Landlord shall, within thirty (30) days after receipt of a notice containing a written request by Tenant, provide Tenant with a written statement, indicating in adequate detail in what respect Tenant has failed to substantially complete the Improvements in accordance with the provisions of this Lease, and what measures or actions will be necessary in the reasonable opinion of Landlord for Tenant to take or perform in order to obtain a Certificate of Completion. If Landlord shall refuse or fail to provide Tenant with such a written statement within thirty (30) days of a request therefor by Tenant, the Improvements shall be deemed to have been completed in accordance with the Final Plans and Specifications and the Certificate of Completion shall be deemed to have been issued.

7.12 Within one hundred and twenty (120) days of the issuance of the Certificate of Completion, Tenant shall provide Landlord with a statement of Total Project Costs, except for the costs related to the work described in Section 7.11 (iii), certified by a certified public accountant. Such statement shall be prepared in accordance with and guided by the accounting industry standards, and shall be subject to Landlord's approval which approval shall not be unreasonably withheld. If Landlord shall refuse or fail to approve such statement in accordance with the provisions of this Section 7.12, Landlord shall, within thirty (30)

days after receipt of such statement, provide Tenant with a written statement indicating in adequate detail in what respect the statement is unsatisfactory to Landlord and what modifications will be necessary, in the opinion of Landlord, for Tenant to make such statement to conform to accounting industry standards. If Landlord shall refuse or fail to provide Tenant with such written statement within thirty (30) days after receipt of such statement, the statement shall be deemed to have been approved by the Landlord.

ARTICLE 8

CHANGES AND ALTERATIONS

8.1 After the Improvements required by this Lease to be constructed by the Tenant on the Leased Premises or any portion thereof have been completed, the Tenant shall not, without the prior written approval of Landlord, reconstruct, demolish, subtract therefrom, make any additions thereto or extensions thereof, or change the materials, design, dimensions or color thereof, nor permit the same by any Occupancy Tenant or any other person, if such reconstruction, demolition, subtraction, addition, extension or change would affect in any way the external appearance of public lobbies, arcades, open spaces or landscaping, or the external appearance of any building (including roof and penthouse) except that the restoration of the Improvements (including emergency repairs) after a casualty or eminent

domain taking to the condition required to exist prior to such event, shall not require Landlord's approval.

8.2 In requesting such approval, Tenant shall submit to Landlord for its approval such plans, specifications and other materials for the proposed work as are required by the Development Review Procedures attached hereto as Exhibit C and Article 7 to this Lease, all within such reasonable time limits as Landlord shall require therefor.

8.3 If Landlord shall consent to any alterations, addition, change or modification requiring such consent under Section 8.1 hereof, the same shall be accomplished by Tenant in compliance with these requirements:

(a) No work shall be undertaken until the Tenant shall have produced and paid for, or caused to be paid for, so far as the same may be required from time to time, all governmental permits and authorizations of the various governmental agencies having jurisdiction. The Landlord agrees to join in the application for such permits or authorizations whenever such action is necessary, but at the Tenant's sole cost and expense.

(b) No work shall be undertaken until the Tenant shall have presented evidence acceptable to Landlord of Tenant's ability to pay for the cost thereof. All such decisions made by Landlord shall be based upon a reasonableness standard.

(c) Any work, the cost of which is reasonably estimated at Two Hundred Thousand Dollars (\$200,000) or

more, shall not be undertaken or permitted, except after compliance with the requirements of Article 13, below.

8.4 If the Tenant shall fail to comply with the foregoing requirements of this Article 8, the Landlord may, without limiting other remedies available to it, direct in writing that the Tenant modify, reconstruct or remove any work done without the prior written approval of the Landlord. The Tenant shall promptly comply with such a directive, and shall not proceed further with any work until such directive is satisfied. Landlord shall apply a reasonableness standard to any such directives.

ARTICLE 9

MECHANICS' AND OTHER LIENS

9.1 The Tenant agrees that it shall not suffer or permit any mechanics', laborers' material suppliers or other liens to attach against or be filed against the Property or any part thereof, by reason of work, labor, services or materials supplied or claimed to have been supplied to or on behalf of the Tenant or to anyone claiming by, through or under the Tenant (Landlord and Tenant hereby expressly agreeing that Landlord shall have no liability whatsoever on account of any such liens, such liability being hereby expressly denied and prohibited). If any mechanics', laborers' material suppliers or other liens shall at any

time be filed against the Property, or any part thereof, the Tenant shall cause the same to be discharged of record within forty-five (45) days after the date of filing the same unless, within such forty-five (45) day period, the Tenant shall furnish the Landlord with satisfactory evidence that it has instituted appropriate legal proceedings to contest any such lien which will prevent the enforcement thereof prior to the final determination of such proceedings and has deposited with the Depository, or with the Court in which the lien is being contested, money in an amount sufficient in Landlord's reasonable opinion from time to time to assure payment of the lien, together with interest, penalties, court costs and attorneys' fees arising in such proceedings, or a surety bond reasonably satisfactory to Landlord, for an amount sufficient to guarantee the payment of such lien, together with interest, penalties, court costs and attorneys' fees.

9.2 The Tenant agrees diligently to prosecute such proceedings to a final determination or conclusion. If the Tenant shall fail to discharge such mechanics', laborers', material suppliers or other liens within such period or, in the event it desires to contest such lien by appropriate legal proceedings fails to comply with any of the foregoing requirements in connection therewith and diligently to prosecute such proceedings to a final determination or conclusion, then, in addition to any other right or remedy by the Landlord, the Landlord may, but shall not be

obligated to, discharge the same either by requiring the Depository to pay (to the extent of the monies hereby held by it) the amount claimed to be due or by procuring the discharge of such lien by deposit in Court or by giving security or in such manner as is, or may be, prescribed by law. Any amount paid by the Landlord for any of the aforesaid purposes, and all reasonable legal and other expenses of the Landlord incident to obtaining the discharge of such liens, with all necessary disbursements in connection therewith, with interest thereon at the rate hereinafter set forth from date of payment, shall be paid by the Tenant to the Landlord on demand, and, if unpaid, may be treated as additional rent due hereunder.

Nothing contained in this Article shall imply any consent or agreement on the part of the Landlord to subject the Landlord's estate to liability under any mechanics', material suppliers or other lien law.

ARTICLE 10

INSURANCE

10.1 The Tenant shall, at the Tenant's sole cost and expense, keep the Improvements and the Building Service Equipment (but not including moveable trade fixtures, machinery and equipment) insured in the name of the Tenant and the Landlord and the Leasehold Mortgagee, if required by the Leasehold Mortgagee (and if the Leasehold Mortgagee

agrees that the proceeds thereof shall be applied in accordance with the provisions of this Lease), as their respective interests may appear: (1) against loss or damage by fire and (2) against such other risks as Landlord may reasonably require and as are now or may hereafter be covered on buildings similar in construction, general location, use and occupancy, to the Improvements, including, but without limiting the generality of the foregoing, windstorm, hail, explosion, riot and civil commotion, damage from aircraft and vehicles and smoke damage, together with so-called demolition and increased cost of reconstruction coverage, as and when insurance against such risks is obtainable. The amount of insurance shall be equal to the replacement cost thereof (which shall mean actual replacement cost without deduction for physical depreciation), excluding excavation costs and costs of foundations, footings and underground installations. The replacement cost thereof shall be accepted by the company issuing such casualty loss policy and evidenced by an "agreed amount endorsement" or waiver of coinsurance, or other evidence satisfactory to Landlord. Not more frequently than annually, the Landlord shall have the right to notify the Tenant that it elects to have the replacement cost redetermined by the insurance company then providing coverage. The redetermination shall be made promptly in such manner as is acceptable to Landlord, the insurance company, and the Leasehold Mortgagee and each party shall be

promptly notified of the results. The insurance policy shall be adjusted according to the redetermination, and Tenant shall pay any increase in the premiums.

10.2 Tenant shall, at its sole expense, procure and maintain during the term hereof rent or rental value insurance naming Tenant and Landlord as insureds, as their interest may appear, in an amount equal to not less than one hundred percent (100%) of (i) the annual Base Rent due Landlord hereunder, and (ii) the annual Percentage Rent due Landlord hereunder (based upon the actual amount of Percentage Rent paid Landlord for the most recent Lease Year preceding the date of the insurance contract).

10.3 The Tenant shall also maintain, at the Tenant's sole cost and expense, but for the mutual benefit of the Landlord and the Tenant as co-insured, and in the name of the Landlord and the Tenant, and the Leasehold Mortgagee, if required by the Leasehold Mortgagee:

(a) comprehensive general public liability insurance against claims for personal injury, death or property damage occurring upon, in or about the Leased Premises or the Improvements or any elevators or escalators therein, and on, in or about the adjoining streets and passageways, such insurance to afford protection with combined single limit coverage of not less than One Million Dollars (\$1,000,000). Such insurance shall provide coverage not only on an accident basis but also on an occurrence basis; and

such limits shall be subject to increases as Landlord may from time to time reasonably require;

(b) flood insurance in such amount as Landlord may reasonably require, if the Leased Premises shall be situated in an area designated by the United States Government, or any political subdivision thereof, as a "flood hazard area" or by whatever designation the result of which is to require such insurance coverage as a condition to obtaining a mortgage loan from a federally regulated institution; and

(c) such other forms of insurance (including broadened coverage of existing insurance) and in such amounts as Landlord may from time to time reasonably require consistent with the requirements of institutional lenders with respect to like properties in Boston.

10.4 Every insured loss shall be adjusted and settled promptly by the Parties (including the Leasehold Mortgagee, if the Leasehold Mortgagee is named as an insured on any policy as permitted by this Lease) and the insurer. The discussions and negotiations with the insurer respecting adjustment and settlement shall be primarily conducted by Tenant but any proposed settlement must be finally approved by the Landlord, and the Leasehold Mortgagee if the Leasehold Mortgagee is named as an insured. All insurance proceeds and all amounts payable as a result of such settlements (collectively, "Proceeds") (less, in either

case, costs, fees and expenses incurred in the collection thereof, which shall be paid out of such proceeds) shall be paid to the Depository and applied by it as hereinafter set forth.

10.5 Proceeds from rental insurance, less any cost of recovery, shall be applied to the Tenant's obligation for the payment of the Base Rent, Percentage Rent, and additional rent and to satisfy any other unpaid obligation of Tenant to Landlord hereunder and the Tenant shall be relieved from its obligation to make such payments to the extent that such Proceeds are so applied. The balance of Proceeds from rental insurance, if any, shall be paid first to the Leasehold Mortgagee as its interests shall appear and then to the Tenant if the Tenant is not then in default hereunder.

10.6 Proceeds attributable to any casualty shall be applied by the Depository to the repair and restoration of Improvements and Building Service Equipment in accordance with the provisions of Article 11 and Article 13 hereof, or if the Proceeds shall be less than Two Hundred Thousand Dollars (\$200,000) and the Tenant shall not be in default hereunder, such Proceeds shall be paid to the Tenant, which agrees to use the same to accomplish repair or restoration as required by this Lease and to retain the balance, if any, after such repair or restoration as Tenant's absolute and unconditional property subject to the rights of any Leasehold Mortgagee, provided, however, that if this Lease

should terminate because of the Tenant's default prior to the time that the Tenant has made or completed such repair or restoration and that such default is not cured by the Qualified Leasehold Mortgagee in accordance with Article 23 herein, such Proceeds shall be paid to the Landlord as its absolute and unconditional property; provided further, however, that if a Qualified Leasehold Mortgagee elects to cure such default in accordance with Article 23, then the Proceeds shall be paid to the Qualified Leasehold Mortgagee as its absolute and unconditional property.

10.7 Other Proceeds shall be applied by the Depository as the Landlord, Tenant and Leasehold Mortgagee direct.

10.8 All policies of insurance hereinbefore referred to shall be written in companies authorized to do business in the Commonwealth of Massachusetts satisfactory to the Landlord, and shall be written in such form as shall be acceptable to the Landlord. All policies of insurance shall provide that any act or negligence of Tenant shall not prejudice the rights of Landlord as a party insured under said policies, and notwithstanding the fact that the Landlord has agreed that the proceeds of such insurance shall be used in the restoration or rebuilding of Improvements and Building Service Equipment located upon the Leased Premises. All policies of insurance shall contain an agreement by the insurers that such policies shall not be cancelled or materially changed without at least thirty (30) days' prior written notice to the Landlord, the Leasehold

Mortgagee and such other parties as may be named as insureds thereunder.

The Tenant shall deliver to the Landlord, on or before the commencement of the term of this Lease, all such policies of insurance (or certificates or certified copies thereof, if the original of any such policy is required to be delivered to a Leasehold Mortgagee), in the amounts and covering the risks hereinabove provided, endorsed "Premium Paid" by the company or agency issuing the same, and the Tenant shall deliver to the Landlord, not less than thirty (30) days' prior to the expiration of any then current policy, a new policy in replacement thereof, endorsed "Premium Paid" by the company or agency issuing the same. However, if the insurance is carried under a blanket policy, as permitted by Section 10.10 hereof, the Tenant may deliver certifications thereof, specifying the amount of insurance allocated to the Property in lieu of the original policy, as long as the possession of such certificates confers upon the holder thereof the same rights as the holder would have if in possession of the original of such insurance policies.

10.9 During the course of any construction of the Improvements or of any construction requiring Landlord's approval under Section 8.1 hereof, and in any other situation when such coverage may be appropriate in the Landlord's judgment, Tenant shall carry and pay, or cause to be carried and paid for (i) appropriate builder's risk insurance and (ii) owner's contingent or protective liability insurance

naming Landlord as an additional insured covering claims not covered by or under the terms of the above-required comprehensive public liability insurance, with combined single limit coverage of not less than One Million Dollars (\$1,000,000).

In addition thereto, at any other time when the Tenant maintains employees incident to operations on the Property, the Tenant shall also carry and pay for, or cause to be carried and paid for, workers' compensation insurance in statutory amounts covering all persons (other than employees of the Landlord, if any), with respect to whom death or injury claims could be asserted against the Property or any part thereof, or the interests of the Landlord or the Tenant therein.

The Tenant shall deliver to the Landlord certificates of insurance evidencing all workers' compensation insurance policies and renewals thereof, promptly as and when such policies are issued and renewed. The Tenant's fulfillment of the statutory requirements relating to self-insurance under workers' compensation laws shall, upon proof of such compliance satisfactory to the Landlord, be treated as compliance with the workers' compensation insurance requirements of this Article.

10.10 Any insurance required to be furnished by the Tenant may be effected by a policy or policies of blanket insurance, provided, however, that the amount of the total insurance allocated to the Property, as herein defined,

shall be such as to furnish in protection the equivalent of separate policies in the amounts herein required, and provided further that, in all other respects, any such policy or policies shall comply with the other provisions of this Lease.

10.11 The aforesaid minimum limits of insurance policies shall in no event limit the liability of Tenant hereunder. Insofar as and to the extent that the following provision may be effective without invalidating or making it impossible to secure insurance coverage obtainable from responsible insurance companies doing business in Massachusetts (even though extra premium may result therefrom) Landlord and Tenant mutually agree that, with respect to any loss which is covered by insurance then being carried by them, respectively, the one carrying such insurance and suffering said loss releases the other of and from any and all claims with respect to such loss; and they further mutually agree that their respective insurance companies shall have no right of subrogation against the other on account thereof. If, at the written request of one party, this release and nonsubrogation provision is waived, then the obligation of reimbursement shall cease for such period of time as such waiver shall be effective, but nothing contained in this Section shall be deemed to modify or otherwise affect releases elsewhere herein contained of either party for claims. Tenant shall bear all costs incurred by either party in complying with this Section

10.11. It required to be done under this Article.

11.1 All Proceeds (except as otherwise provided in

Section 10.3 with respect to insurance) shall be held

and applied to the ARTICLE 11 DAMAGE TO OR DESTRUCTION OF THE PROPERTY.

restoring and rebuilding required by this Article.

11.1 The Tenant agrees that, in case of damage to or destruction of any part of the Property by fire or otherwise, or should any part of the Property become untenable or unuseable for any reason, this Lease shall not terminate nor shall the respective rights or obligations of the Landlord and the Tenant be affected in any way, except as specifically provided in this Lease.

The terms "damage or destruction," for the purposes of applying this provision of this Lease, shall refer to any condition requiring correction to make the Property, or any part thereof, tenantable or useable for its intended purposes.

11.2 The Tenant agrees that, in the event of any damage or destruction, the Tenant shall promptly notify the Landlord. Tenant, at its sole cost and expense, shall promptly repair, restore and rebuild the Property, or cause the same to be repaired, restored and rebuilt, so that, upon the completion thereof, the Property shall have been restored to the condition required immediately prior to such damage or destruction. The provisions and conditions of Article 13 governing procedures applicable to restoration, changes or alterations of Improvements shall be applicable

to work required to be done under this Article.

11.3 All Proceeds (except as otherwise provided in Section 10.5 with respect to rent insurance) shall be held and applied to the payment of the cost of repairing, restoring and rebuilding required by this Article in accordance with the provisions of Article 10, Section 10.6 and Article 13 hereof.

ARTICLE 12

CONDEMNATION

12.1 With respect to any exercise of the power of eminent domain (hereinafter referred to as a "Proceeding") or any agreement in lieu of condemnation (hereinafter referred to in this Article as an "Agreement") between the Landlord, the Tenant and those authorized or purporting to be authorized to exercise the power of eminent domain, for a conveyance to a condemning authority (such conveyance being hereafter in this Article referred to as "conveyed" or as a "conveyance"), the Tenant and the Leasehold Mortgagee, in cooperation with the Landlord, shall have the right to participate in negotiations, any Proceeding or any Agreement leading to an Award (as hereinafter defined) to protect their respective interests hereunder. The total Net Award made in such Proceeding or the consideration paid or payable pursuant to such Agreement (hereinafter collectively or separately referred to as the "Award"), shall be paid by

whomever received to the Depository, which shall apply the same as herein provided. The term "Net Award" shall mean the total Award, less all costs, expenses and attorneys' fees incurred in the collection thereof.

12.2 If, during the term of this Lease, the entire Property shall be taken as a result of a Proceeding or an Agreement, this Lease and all right, title and interest of the Tenant hereunder shall terminate and come to an end on the date title shall vest in the condemning authority pursuant to such Proceeding or Agreement, but shall not terminate as to the Award. In that event, the Base Rent, Percentage Rent, Additional Rent, Impositions or other charges herein provided to be paid by the Tenant shall be apportioned to the date title shall vest in the condemning authority in such Proceedings or pursuant to such Agreement and any amounts prepaid by Tenant in excess of its liability based on such apportionment shall be refunded by Landlord to the Tenant. As to any such taking, the Net Award shall be distributed as follows:

(a) The following values shall be determined as of the date title is vested in the condemning authority in such Proceeding or pursuant to such Agreement by agreement of the parties or, failing such agreement, by appraisal in the manner set forth in Section 12.2(c) hereof:

(i) The value of Landlord's interest in the Property. This shall be the then fair market

value of the Leased Premises as encumbered by this Lease plus the residual value of the Improvements and the Building Service Equipment, all determined as if no taking had occurred; and

(ii) The value of Tenant's interest in the Property. This shall be the then fair market value of the Improvements and the Building Service Equipment recognizing that the residual value of the Improvements and the Building Service Equipment belongs to Landlord at the expiration of the terms of this Lease, plus the value of the leasehold interest under this lease, taking into account the amounts to be paid and other obligations to be performed by Tenant under this Lease, all determined as if no taking had occurred.

(b) After making the determinations described in subparagraph (a), above, the Net Award shall be applied as follows:

(i) First, to the Landlord as a first charge against the Net Award, an amount equal to the present value (determined by using a discount rate equal to the rate of interest called for by Section 34.9 hereof), as of the date title is vested in the condemning authority, of the Base Rent until the Lease Expiration Date.

(ii) Second, to the holder of the first

Leasehold Mortgage for the account of Tenant, and as a second charge against the Net Award, an amount equal to the outstanding indebtedness secured by the first Leasehold Mortgage.

(iii) Third, to the Landlord or the Tenant as the case may be, the amount which is necessary to bring the amounts paid to Landlord under 12.2(b) (i), above, and to the Leasehold Mortgagee for the account of Tenant under 12.2(b) (ii), above, into proportion based on the ratio of 12.2(a) (i) representing Landlord's interest in the Net Award, and 12.2(a) (ii) representing Tenant's interest in the Net Award, as determined above.

(iv) The balance, if any, shall be paid to Landlord and Tenant in proportion to their respective interests determined in accordance with the ratio of 12.2(a) (i) to 12.2(a) (ii) after deducting from Landlord's share the amount paid under 12.2(b) (i), above, and after deducting from Tenant's share the amount paid under 12.2(b) (ii), above, and after deducting the amount paid under 12.1(b) (iii), above, from the share of the party to whom paid.

(c) If the Landlord and the Tenant are unable to agree on the values to be determined under Section 12.2(a), the values shall be set by an

independent panel of three appraisers, each of whom shall have recognized expertise, and not less than five (5) years professional experience in the valuation of downtown large-scale urban commercial real estate in the City of Boston, of whom one is to be selected by the Landlord, one is to be selected by the Tenant, and the third is to be selected by mutual agreement of the two first selected. Such appraisal shall be made at the request of either Landlord or Tenant, and shall be carried forward expeditiously once requested. Each Party shall pay its own appraiser's fees and costs and one-half (1/2) of the fees and costs of the third appraiser.

12.3 If, during the term of this Lease, a part of the Property shall be taken or conveyed, and such taking or conveyance does not diminish any portion of the Leased Premises which the Tenant is permitted hereunder to sell, this Lease shall terminate as to the part of the Property which is taken, upon the date title is vested in the condemning authority in such Proceeding or pursuant to such Agreement, but this Lease shall continue in full force and effect as to the remainder of the Property. Notwithstanding the foregoing, the Tenant hereby waives any and all claims against the Landlord or the City of Boston to awards of damages, if any, to compensate for the closing, laying out or change of grade of any street or other public way within or fronting or abutting on the Leased Premises which,

pursuant to the Urban Renewal Plan on the date hereof, is to be or is closed, laid out or changed in grade. The Landlord hereby waives the right to any share of the award of damages to the Landlord's interest in the Property arising out of any taking made by the Landlord.

As to any such taking (or portion thereof) for which compensation has not been waived by the Tenant, the Net Award shall be distributed as follows:

(a) Subject to the provisions of Article 13 hereof, first to the Tenant, to the extent of and as a first charge against the Net Award, an amount not exceeding the actual cost reasonably incurred by the Tenant of performing restoration of the Property and any other obligation under the Lease imposed upon Tenant as the result of the taking.

(b) The balance, if any, of the Net Award shall be paid to the Landlord.

12.4 (a) If, during the term of this Lease, a part of the Property shall be taken or conveyed, and such taking or conveyance diminishes any portion of the Leased Premises which the Tenant is permitted hereunder to lease to Occupancy Tenants, this Lease shall terminate and come to an end as to the part of the Property which is taken, upon the date title is vested in the condemning authority in such Proceeding or pursuant to such Agreement, but shall not terminate as

to the Award for the part of the Property which is taken, and otherwise this Lease shall continue in full force and effect as to the remainder of the Property, subject to the provisions of Section 12.4(b) hereof.

Section 12.4(b). If there is a taking of the type provided for in this Section 12.4, then, as to the part of the Property not so taken, the Tenant covenants and agrees, for itself and its successors in interest, that the Tenant shall, at its sole cost and expense (subject to reimbursement to the extent hereinafter provided), promptly restore that portion of the Property not so taken to a complete architectural unit for the use and occupancy of the Tenant (and those claiming under Tenant) as expressed in this Lease. The provisions and conditions in Article 13 hereof applicable shall apply to the work required to be done under this Section. As to any such taking, the Net Award shall be distributed as follows:

- (i) First to the Tenant, to the extent of and as a first charge against the Net Award, an amount not exceeding the actual cost reasonably incurred by the Tenant of performing its obligations under this Lease imposed upon Tenant as the result of the taking.
- (ii) The balance of the Net Award, if any, shall be apportioned between the Landlord and the Tenant subject to the rights of Leasehold

Mortgagee in the same manner as the balance of a Net Award apportioned under Subsection 12.2(b) (iv).

If there is a taking provided for in this Section and the restoration of the Property results in Improvements of lesser internal leaseable area than the Improvements prior to the taking, Base Rent shall be abated from and after the date of taking in proportion to the diminution of the total internal leaseable area of the Improvements, but otherwise there shall be no abatement in or reduction of the rent or other charges.

(b) In the event a taking provided for in this Section 12.4 so diminishes or impairs the use of the Improvements that, notwithstanding restoration, the Tenant would be unable to make any kind of economic use of the remainder thereof for the purposes permitted by this Lease, the Tenant, at its option exercisable by notice to Landlord given not later than ninety (90) days after title is vested in the condemning authority in such Proceeding or pursuant to such Agreement, may terminate this Lease as of such date. The rent, Impositions or other charges herein provided to be paid by the Tenant shall be apportioned to said date and any amounts prepaid by Tenant in excess of its liability based on such apportionment shall be refunded by the Landlord to the Tenant. In the event Tenant elects to so terminate this Lease, the Net Award shall be

allocated and distributed in the manner provided in Section 12.2, except that the value of Landlord's interest in the Net Award determined under Subsection 12.2(a)(1) shall be reduced by the value of the portion of the Leased Premises, the Improvements and the Building Service Equipment not taken and the amount to be applied under Subsection 12.2(b)(i) shall be reduced by the discounted fair rental value of the portion of the Leased Premises not taken for the unexpired portion of the term of this Lease.

12.5 If there shall be a taking or conveyance, as aforesaid, of any vault or other space not included within the Leased Premises as above described, or a taking or conveyance which shall result in the removal of projecting portions of any Improvements upon any street for which the Tenant is not entitled to compensation as a matter of law, or a taking or conveyance of an underground right-of-way for a subway, conduit or other purpose not necessitating the demolition or substantial alteration of any portion of any of the Improvements, any such taking or conveyance shall not be treated as a taking of any part of the Leased Premises or the Property for the purposes of this Article. This Lease shall not be affected by any such taking or conveyance of the nature in this Section 12.5 referred to, any alteration required because of a taking or conveyance of the nature in this Section 12.5 provided, shall be done by the Tenant, and the provisions and conditions of Article 13 shall apply to

any alteration required to be done under this Section.

12.6 If the use of the Leased Premises or the Improvements, or any part thereof, shall be taken by the exercise of the power of eminent domain for a period of time, definite or indefinite, whether or not for the entire unexpired portion of the term of this Lease or for a period greater than the same, this Lease shall, nevertheless, continue in full force and effect and the Tenant shall have the right (except as hereinafter provided) to receive the entire Award (which Award, in the case provided for by this Section 12.6, is called the "Use Award") which is allocable to that part of the unexpired portion of the term of this Lease to which the Use Award relates. The Tenant shall have no rights against the Landlord by reason of such taking, including, without limitation, any right to an abatement of rent or any other charges payable by the Tenant, or the performance of any obligation to be performed by the Tenant, and the rights and liabilities of the Landlord and the Tenant to each other shall be the same as if there had been no such taking. Notwithstanding, the Tenant and the Leasehold Mortgagee, in cooperation with the Landlord, shall have the right to participate in negotiations relative to any such taking or the Use Award in order to be certain that their respective interests thereunder are protected, with all cost and expense thereof to be a first charge against the Use Award.

The Use Award shall be paid, however, by the

Tenant to the Depository for application as hereinafter set forth, after deduction therefrom of all cost and expense reasonably incurred incident to obtaining such Use Award.

The Use Award shall be held and disbursed as follows:

(a) If the same is payable in monthly or other periodic installments, such installments shall, as received by the Depository, be applied on account of, and to the extent of, the Tenant's obligations on account of annual rental and proportionate shares of other charges payable by the Tenant on account of such period; and the dollar value of obligations to be performed by the Tenant shall, on a proportionate basis, also be satisfied from such periodic installments.

Any balance of such periodic installments remaining shall be applied to or for the account of the Tenant subject to the rights of Leasehold Mortgagee, except that, if such taking shall be for a period extending beyond the expiration of the term of this Lease, the Landlord (or such Institution) shall be entitled to the entire Use Award attributable to the period after such expiration.

(b) Where the Use Award is in a lump sum or payable in installments less frequently than quarterly, the lump sum or other installments, together with investment earnings thereon, if any, shall be divided

by the number of months included in the period for which such use Award has been made and the quotient thereof shall be applied monthly, in accordance with subparagraph (a), above.

(c) To the extent a Use Award is allocable to the cost of repairs and restoration following the termination of a temporary taking, the same shall be treated as Proceeds, within the meaning of Article 13, below, and applied consistent therewith.

ARTICLE 13

CONDITIONS GOVERNING REPAIR, RESTORATION, CHANGES AND ALTERATIONS

13.1 Whenever, under provisions of Article 11 or Article 12 of this Lease, the Tenant shall be obligated to restore, rebuild, repair or make alterations to the Property, the cost of which will exceed Two Hundred Thousand Dollars (\$200,000) (or, in and after the twenty-fifth Lease Year, the amount being equivalent in value at the time in question to \$200,000 in 1987, herein call the "Value Equivalent"), the amount of the Proceeds, or the amount of the Net Award (which amounts are hereinafter collectively referred to in this Article as "Amounts"), as the case may be, shall be held and disbursed in accordance with the following provisions:

(a) Amounts on account of any casualty loss,

Proceeding or Agreement, (hereinafer collectively referred to as the "Event"), shall be delivered to the Depository as soon as available and in all events prior to commencement of the work of repair and restoration (hereinafer referred to as the "Work");

(b) Tenant shall submit to Landlord, for the approval of Landlord, a schedule of the estimated cost of the Work to be performed in accordance with the plans and specifications approved by the Landlord pursuant to Section 13.2;

(c) Before the commencement of the Work, Tenant shall pay to the Depository a sum equal to the amount by which the estimated cost of the Work, as determined by Landlord and Leasehold Mortgagee on the basis of Tenant's estimate as approved by the Landlord, exceeds the Amounts theretofor delivered to the Depository under Section 13.1(a);

(d) During the progress of the Work, Tenant shall submit to Landlord the Depository and the Leasehold Mortgagee, at periodic intervals, but not more frequently than quarterly, a certificate approved as to accuracy by Tenant's architect or engineer and by any consultant engaged by Landlord under subparagraph (f) of this Section 13.1, showing the cost of labor and materials incorporated into the Work, or suitably stored at the Leased Premises, during the period specified in the certificate and the amount properly

shall be due and owing to contractors and suppliers on account thereof, which period shall not include any part of the period covered by any other such certificate. Mortgagee-Depository, upon receipt of such certificate and approval(s) thereof by Landlord and Leasehold Mortgagee, shall pay to Tenant, from the deposit, if any, made with it by Tenant, and, upon the exhaustion thereof, from the Amounts, ninety percent (90%) of the lesser of such cost of amounts due and owing to contractors and suppliers on account thereof (disregarding any retainage which Tenant may have the right to withhold from amounts due and owing to contractors and suppliers, but which shall include, in making such computation, amounts due and owing to contractors and suppliers on account of work previously done and certified but, as to which, ninety percent (90%) payment thereof has not been made), as shown by such certificate. When required by Landlord or the Leasehold Mortgagee and as a condition to any payment by Depository, evidence satisfactory to the Landlord shall be furnished to the effect that the Depository is holding sums so deposited and Amounts remaining undisbursed which are sufficient for the payment of all remaining costs of the Work. If such evidence shall indicate the Depository is not holding funds which are so sufficient, the Tenant shall forthwith deposit with the Depository the amount of the deficit, which it

shall hold and disburse as above set forth;

(e) Upon completion of the Work and delivery to Landlord, Depository and the initial Leasehold Mortgagee of a certificate from Tenant that the Work has been completed and all bills for labor and materials incurred in connection therewith have been paid, supported by a surety company bond or title evidence for which provision is hereinafter made, assuring such payment, together with a certificate from the Tenant's architect or engineer that the Work has been completed in accordance with the Final Working Drawings and Specifications (as amended, with Landlord's approval and the initial Leasehold Mortgagee), the Depository shall, in the case of Amounts which are Proceeds of insurance, pay the balance in its possession to the Tenant, and, in the case of the Proceeds of any Proceeding or Agreement, apply the balance first to reimbursement to Tenant under (c) or (d) and then to the Landlord, the Tenant and anyone claiming by, through or under the Tenant (including the Leasehold Mortgagee), those portions of any balance in Depository's possession to which the respective parties may be entitled pursuant to Subsection 12.4(a)(ii); and

(f) If Landlord or Leasehold Mortgagee determines that, prior to giving its approval to any plans and specifications or estimated schedule of costs, or before honoring certificates calling for payment from

the funds to be desposited with Landlord, it is appropriate to retain, for itself, independent professional assistance of an architectural or engineering consultant, Landlord shall have the right to do so, and, if the Tenant shall not be proceeding as required hereunder with respect to prosecution of the Work, the reasonable fees and expenses of such consultant for such services shall be paid by Tenant and shall be treated as a part of the cost of the Work in determining amounts required to be made available for such purposes.

13.2 Any restoration, rebuilding, repair or alteration undertaken by Tenant pursuant to Article 11 or 12 of this Lease, the cost of which will exceed Two Hundred Thousand Dollars (\$200,000) (or, in and after the twenty-fifth Lease Year, the Value Equivalent) or any construction requiring approval of the Landlord under Section 8.1 hereof shall produce Improvements which shall conform to the Final Working Drawings and Specifications once said documents are submitted by Tenant and reviewed and approved by Landlord in accordance with the Development Review Procedures, or in accordance with such amended working drawings and specifications as from time to time Tenant may propose and Landlord may approve. In the event that Tenant shall propose such amended working drawings and specifications, Tenant shall comply with the provisions of the Development Review Procedures attached hereto as Exhibit "C", and the

provisions of Section 7.2, 7.3(c) and 7.4 through 7.11, inclusive, of this Lease shall be applicable to such restoration, rebuilding, repair or alteration.

13.3 Reconstruction, demolition, subtractions, additions, extensions or changes which Tenant proposes to make in accordance with the terms of Article 8 hereof, shall be subject to this Article, by which it is intended that such changes or alterations shall be treated as being attributable to an Event, within the meaning of Section 13.1 hereof, the changes or alterations shall be treated as Work within the meaning of 13.1, and all requirements in Section 13.1 dealing with the conditions under which the Work may proceed, shall be applicable to such changes or alterations, except that no deposit need be made with the Depository if, in fact, the changes or alterations proposed do not arise from an Event.

13.4 As to all Work governed by this Article (including Article 11 Work), the Tenant shall promptly commence and diligently complete the same within a reasonable time, subject only to delays occasioned by timing of receipts of Amounts, claims arising from an Event, acts of God, general unavailability of labor or materials, governmental restrictions or like causes beyond the reasonable control of the Tenant, but financial inability (except delays in pursuing claims for and receipts of Amounts) to proceed shall never be treated as a cause beyond the Tenant's control.

13.5 Whenever payments are made to or for the account

of the Tenant under this Article, the Landlord and/or the Depository shall be entitled to require, concurrently therewith, assurance, by means of a surety company bond, title insurance or an opinion from a reputable attorney acceptable to Landlord that no claims on account of mechanics' or material suppliers liens may arise on account of work performed or materials supplied covered by the Tenant's certificate, on the basis of which the Depository makes such payment.

ARTICLE 14

WASTE

14.1 The Tenant covenants not to do or suffer any waste or damage, disfigurement or injury to the Property, or permit or suffer any overloading of the floors of the Improvements thereof.

ARTICLE 15

INSPECTION OF PREMISES

15.1 The Tenant agrees to permit the Landlord and its authorized representatives to enter the Property at all times during usual business hours for the purpose of inspecting the same and for the purpose of making any necessary repairs to the Property or performing any work therein that the Tenant has failed to make or perform and

which Landlord may reasonably determine to be necessary to comply with any laws, ordinances, rules, regulations or requirements of any public authority or to prevent waste or deterioration in connection with the Property. The Landlord shall not be entitled to exercise rights hereunder other than inspection except after the expiration of any grace periods available to Tenant or except where Landlord shall determine that prompt attention is required to prevent injury to persons or property or to the Improvements, in which latter situation Landlord shall give to Tenant such notice, if any, as may be appropriate in the circumstances.

Nothing herein shall imply any duty upon the part of the Landlord to do any such work which, under any provision of this Lease, the Tenant may be required to perform, and the performance thereof by the Landlord shall not constitute a waiver of the Tenant's default in failing to perform the same.

The Landlord may, during the progress of any work performed by it on the Leased Premises, keep and store upon the Leased Premises, in a manner that will not interfere substantially with the rights of the Tenant or any Occupancy Tenant, all necessary materials, tools and equipment. The Landlord shall not, in any event, be liable for inconvenience, annoyance, disturbance, loss of business or other direct or consequential damage to the Tenant by reason of making repairs or the performance of any work on the Leased Premises, or on account of bringing materials,

supplies and equipment onto or through the Leased Premises during the course thereof, and the obligations of the Tenant under this Lease shall not thereby be affected in any manner whatsoever.

15.2 The Landlord is hereby given the right during usual business hours to enter the Property during the term for the purpose of showing the same to prospective purchasers and mortgagees, where the reasonable business purposes of the Landlord make such display appropriate, but only during the final twelve (12) months of the term of this Lease, to exhibit the same to prospective tenants. Where, under any provision of this Article 15, access is sought by Landlord to areas not normally accessible to the public, Landlord shall give Tenant forty-eight (48) hours' prior notice before entering the Property and Tenant shall make such areas available for entry by Landlord and prospective tenants and mortgagees.

ARTICLE 16

PAYMENTS TO PUBLIC UTILITIES

16.1 Tenant shall pay, or cause to be paid when due, all use and consumption charges and service fees and the like for all public utilities used upon or furnished to the Property during the term hereof, including, without limitation, charges for water, gas, electricity and telephone service.

16.2 In addition to paying for all utility use and consumption charges and service fees as hereinabove required, the Tenant shall also, at its sole cost and expense, procure any and all necessary permits, licenses or other authorizations required for the lawful and proper installation and maintenance upon the Property of poles, wires, pipes, conduits, tubes and other equipment and appliances for use in supplying any utilities servicing the Property.

ARTICLE 17

LANDLORD'S RIGHT TO PERFORM

TENANT'S COVENANTS

17.1 The Tenant covenants and agrees that, if it shall at any time fail to make required payments of principal and interest under any Leasehold Mortgage permitted pursuant to the provisions hereof, or fail to pay any Imposition pursuant to the provisions of Article 4, hereof, or to take out, pay for, maintain or deliver any of the insurance policies provided for in Article 10 hereof, or shall fail to make any other payment, perform any other act or comply with any other covenant on its part to be made, performed or complied with as provided in this Lease, and in any such case such failure shall have continued beyond any grace, permitted delay or notice period herein or in any such Leasehold Mortgage provided for the payment or performance thereof, the Landlord shall have the right, without any

obligation to do so, without waiving Landlord's other rights or remedies hereunder and without notice to or demand upon the Tenant in an emergency or otherwise, after ten (10) days' notice, and without waiving or releasing the Tenant from any obligations of the Tenant contained in this Lease, pay any such mortgage, payment, pay any Imposition, effect any such insurance coverage and pay premiums therefor, and may make any other payment, perform any other act or comply with any other covenant on the part of the Tenant to be made, performed and complied with, as provided in this Lease, in such manner and to such extent as the Landlord may deem desirable, and, in exercising any such rights, pay necessary and incidental reasonable costs and expenses, and employ counsel and incur and pay their reasonable fees and expenses.

17.2 Tenant shall on demand reimburse Landlord for all amounts expended by or on behalf of Landlord under Section 17.1 and the same shall be treated as additional rent hereunder. Interest thereon at the rate hereinafer set forth shall be paid thereon from the date Landlord shall make any such expenditure to the date Tenant reimburses Landlord.

ARTICLE 18

LANDLORD'S REMEDIES AND BREACH

18.1 Subject to the provisions set forth in Article 23

relating to Qualified Leasehold Mortgagees, upon an "Event of Default" (as defined herein) Landlord shall have the following remedies subject to the requirements of Article 23, in addition to all other rights and remedies provided by law or otherwise provided in this Lease, to which Landlord may resort cumulatively, or in the alternative and in any order:

(a) Landlord may, at Landlord's election, keep this Lease in effect and enforce all of its rights and remedies under this Lease, including the right to recover the rent and other sums as they become due by appropriate legal action.

(b) Landlord may, at Landlord's election, terminate this Lease by giving Tenant one hundred twenty (120) days' prior written notice of termination. In accordance with the terms of this Lease, all of Tenant's right in the Property shall terminate upon expiration of such notice period and Tenant shall surrender and vacate the Property in broom clean condition, and Landlord may re-enter and take possession of the Property and eject Tenant or any Occupancy Tenant or other person or persons claiming any right under or through Tenant or eject some and not others or eject none; provided, however, that Landlord shall not eject any Occupancy Tenant who Landlord is required to recognize pursuant to Section 20.1 hereof. This Lease may also be terminated by judgment specifically

providing for termination. Any termination under this Section shall not relieve Tenant from the payment of any sums then due to Landlord or from any claim for damages or rent previously accrued or then accruing against Tenant. In no event shall any one or more of the following actions taken by Landlord, after the occurrence of an Event of Default, in the absence of a written election by Landlord to terminate this Lease, constitute a termination of this Lease:

(i) Appointment of a receiver in order to protect Landlord's interest hereunder;

(ii) Consent to any subletting of the Property or assignment of this Lease by Tenant, whether pursuant to the provisions hereof with relation to assignment or subletting, or otherwise;

(iii) Any other action by Landlord or Landlord's agents intended to mitigate the adverse effects of any breach of this Lease by Tenant, including, without limitation, action to maintain and preserve the Property or any action taken to relet the Property, or any portions thereof, for the account of Tenant and in the name of Tenant.

(c) Landlord may at Landlord's election re-enter and take possession of the Property and, without terminating this Lease, and at any time, from time to time, relet the Property or any part or parts of it for

the account and in the names of Tenant or otherwise. Tenant shall nevertheless pay to Landlord on the due dates specified in this Lease all sums required of Tenant under this Lease, plus Landlord's expenses, less the proceeds of any such reletting. No act by or on behalf of Landlord, including those described in subparagraphs (b)(i), (ii) and (iii), above, under this provision shall constitute termination of Tenant's right to possession under this Lease unless Landlord gives Tenant written notice of termination as set forth hereinabove.

(d) In the event Landlord terminates this Lease, Landlord shall be entitled at Landlord's election to damages in the following sums:

(i) The worth at the time of award of the unpaid rent which has been earned at the time of termination; plus

(ii) The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the fair market rental value reasonably achievable for such period; plus

(iii) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the fair market rental value reasonably achievable for such period; and

(iv) Any other amount necessary to compensate Landlord for all detriment proximately caused by Tenant's failure to perform Tenant's obligations under this Lease, or which in the ordinary course of things would be likely to result therefrom, including, without limitation, the following: (aa) expenses for cleaning, repairing or restoring the Property; (bb) expenses for altering, remodeling, or otherwise improving the Property for the purpose of reletting including installation of leasehold improvements (whether such installation be funded by a reduction of rent, direct payment or allowance to Tenant, or otherwise); (cc) broker's fees, normal and required costs of carrying the Property such as taxes and insurance premiums thereon, utilities and security precautions; (dd) expenses in retaking possession of the Property; and (ee) attorneys' fees and costs.

(v) The "worth at the time of award" of the amounts referred to in subparagraphs (i) and (ii), above, is computed by allowing interest at the rate hereinafter set forth. The "worth at the time of award" of the amount referred to in subparagraph (iii), above, is computed by discounting such amount at the discount rate of the Federal Reserve Bank of Boston at the time of the

award.

(vi) The foregoing provisions respecting damages in the event Landlord terminates this Lease shall not be applicable to a Leasehold Mortgagee which has cured a default on the part of Tenant or which has entered into a new ground lease pursuant to the provisions of Section 23.3(h) following a default by the Tenant and termination of this Lease by Landlord.

18.2 Subject to the provisions set forth in Article 23 relating to Qualified Leasehold Mortgagees, a breach of this Lease shall exist if any of the following events (severally "Event of Default" and collectively "Events of Default") shall occur:

(a) Tenant shall have failed to pay the Base Rent or Percentage Rent when and as the same shall be due and payable and such failure shall continue for a period of thirty (30) days after written notice from Landlord;

(b) Tenant shall have failed to pay any other charge, additional rent, Imposition or any obligation of Tenant requiring the payment of money under the terms of this Lease (other than the payment of Base Rent or Percentage Rent) for sixty (60) days after written notice from Landlord;

(c) Tenant shall have failed to perform any term, covenant or condition of this Lease to be performed by

Tenant, except those requiring the payment of money, and Tenant shall have failed to cure the same within one hundred and twenty (120) days after written notice from Landlord, except that, where such failure could not reasonably be cured within said one hundred and twenty (120) day period, Tenant shall not be in default, and no Event of Default shall exist, unless Tenant has failed to promptly commence and thereafter be continuing to make diligent and reasonable efforts to cure such failure as soon as practicable;

(d) Tenant shall have made a general assignment of its assets for the benefit of its creditors;

(e) Tenant shall have abandoned the Leased Premises;

(f) (i) A court shall have made or entered any decree or order adjudging Tenant to be bankrupt or insolvent; (ii) a petition seeking reorganization of Tenant or an arrangement under the bankruptcy laws or any other applicable debtor's relief law or statute of the United States or any State thereof is filed against Tenant and not dismissed within one hundred and twenty (120) days thereafter; (iii) a receiver, trustee or assignee of Tenant in bankruptcy or insolvency or for its property is appointed and not discharged within one hundred and twenty (120) days thereafter; (iv) a court shall have made or entered any decree directing the winding up or liquidation of Tenant and such decrees or

order shall have continued for a period of one hundred and twenty (120) days; or (v) Tenant shall have voluntarily submitted to or filed a petition seeking any such decree or order;

(g) The sequestration or attachment of or execution or other levy on Tenant's interest in this Lease or the Leased Premises or any Improvements located thereon shall have occurred and Tenant shall have failed to obtain a return or release of such property within sixty (60) days thereafter, or prior to sale pursuant to such levy, whichever first occurs; or

(h) Tenant shall have admitted in writing its inability to meet its debts as they mature.

ARTICLE 19

ASSIGNMENT

19.1 This Lease is being entered into as a means of permitting and encouraging the development of the Leased Premises in accordance with the terms hereof and not for speculation in landholding. Tenant acknowledges that, in view of:

(a) the importance of the undertaking set forth herein to the Landlord;

(b) the substantial public aids that have been and/or will be made available by law, the federal government and the City for the purpose of making such

undertakings possible;

(c) the importance of the identity of the parties in control of the Tenant and the Property; and

(d) the fact that a transfer of all or part of the legal or beneficial ownership in the Tenant, or any other act or transaction involving or resulting in a significant change in ownership or distribution of such ownership is for practical purposes a transfer or disposition of the interest in the Property then owned by Tenant; the qualifications and identity of Tenant are of particular concern to the Landlord. Tenant further recognizes that it is because of such qualifications and identify that the Landlord is entering into this Lease, and, in so doing, is further willing to accept and rely on the obligations of the Tenant for the faithful performance of all undertakings and covenants hereby to be performed by it.

19.2 For the reasons set forth in Section 19.1 hereof all, except as otherwise provided herein in Article 20 hereof and in Article 23 hereof, it is hereby agreed that, commencing on the Lease Commencement Date and continuing for a period five (5) years from the issuance by the Landlord of the Certificate of Completion and a Certificate of Use and Occupancy with respect to the Improvements;

(a) No transfer (by assignment or otherwise) of all or any substantial part of Tenant's rights under this Lease or of the Tenant's interest in the leasehold

estate created hereby or the Property shall be made or suffered.

(b) No transfer or change of legal or beneficial interests in Tenant (or any successor entity to the Tenant permitted hereunder) and no transfer of any general partnership interests in the Tenant by sale, pledge or otherwise, shall be made or suffered. The prohibitions expressed in (a) and (b), above, against transfer of Tenant's interest under this Lease and against transfer of a legal or beneficial interest in Tenant shall not apply to the following:

(i) a transfer by reason of death or legal incapacity of an individual;

(ii) the granting of a Leasehold Mortgage, or to a transfer by the holder of a Leasehold Mortgage or by any party holding in good faith by, through or under a Leasehold Mortgage;

(iii) transfers not exceeding in the aggregate ten percent (10%) of the general partners' interests in Tenant (legal or beneficial) or not exceeding in the aggregate fifty percent (50%) of the stock or other form of ownership interest in any general partner of the Tenant which has less than ten percent (10%) of the total general partner interests.

(iv) transfers of limited partnership interests in Tenant.

19.3 After the end of the five year period subsequent to the issuance of the Certificate of Completion, there may be made a transfer otherwise prohibited prior to such time, but only with the prior written consent of the Landlord. Landlord agrees not to unreasonably withhold such consent, taking into consideration the reputation, experience in management of real estate and financial capacity of any proposed transferee to perform the obligations of Tenant hereunder. Where Landlord has given such consent to Tenant to effect any proposed transfer, such transfer shall be effective in the case of a transfer of the leasehold interest hereunder only if the Improvements are transferred concurrently therewith as hereinafter set forth and in all cases only upon compliance with the following conditions:

(a) At the time of such transfer, there shall not exist hereunder any Event of Default or any event which would become an Event of Default with notice and the passage of time therefrom;

(b) The Tenant shall have furnished or caused to be furnished to Landlord assurances by the transferee reasonably satisfactory to Landlord that the transferee is not insolvent and will not be rendered insolvent by assumption of the obligations of the Tenant under this Lease. For the purposes of this provision, insolvency shall mean and include inability to meet the obligations of the transferee as and when the same become due and payable; and

(c) In the case of a transfer of the leasehold interest hereunder, such transferee shall assume, by written instrument reasonably satisfactory to the Landlord, directly with the Landlord, the obligations on the part of the Tenant to be performed and observed under this Lease.

Nothing contained in Article 19 shall prevent, restrict or limit in any way the transfer of limited partner's interests or the admission of limited partners to the partnership. However, this provision shall not be construed to permit the transfer of a limited partner's interest which will violate the transfer and assignment provisions as set forth in this Article.

19.4 No transfer of the Tenant's interest under this Lease shall be effective unless accomplished by suitable written instrument recorded in the office in which, by law, records relating to real estate in Boston, Massachusetts are required to be filed to be effective against bona fide purchasers for value of such property, and a true and correct copy thereof, certified as such by the Tenant and the transferee, shall have been sent to the Landlord in the same fashion in which notices are required to be given under the terms of this Lease.

19.5 Tenant shall pay to the Landlord as and when the same are received by or made available to or for the benefit of Tenant, fifteen percent (15%) of all Net Transfer Proceeds. Net transfer proceeds shall be determined by deducting from the transfer price, Total Project Costs, or

if greater, the amount of Financing or Refinancing to which a fifteen percent (15%) payment has already been made, all payments made to third parties and partners on account of obligations of the partnership in the form of notes and/or mortgages, letters of indebtedness, guarantees and the like, repayment to partners of their initial and/or any subsequent capital contribution or any other type of equity investment or loan to the Tenant, all expenses prorated as of the date of transfer which relate to the operation of the Property, including the requirement to fund a cash reserve account, and all expenses required in connection with the transfer in order to deliver good, clear and marketable leasehold title to the Property. The transfer price shall be the value of the consideration paid by the transferee to the Tenant.

19.6 For the purposes of this Article 19:

(a) The Tenant agrees that the ownership of this Lease and all of the Tenant's rights, title and interest in and to the Improvements shall be non-separable, and that an attempt to transfer any of the Tenant's right, title or interest in the Improvements shall be null and void and a breach of this Lease, unless accompanied by a transfer and assignment of the Tenant's estate under this Lease.

(b) References herein to transfer of the Tenant's interest in this Lease of the Tenant's estate mean a sale, assignment or other disposition of the entire interest of the Tenant in the Property. Partial

transfers shall not be permitted, except for sublease, to which reference is specifically hereinafter made in Article 20.

(c) A sublease of all of the Property for any material part of the term of this Lease (which shall in any event mean a period which is five (5) years or more in duration) shall, for the purposes of this Article 19, be a transfer.

(d) Any transfer which is not permitted hereby and which is made without Landlord's consent shall be void and of no force or effect.

ARTICLE 20

SUBLETTING

20.1 Subject to the use restrictions contained in this Lease, and subject to this Section and the other terms and conditions of this Lease, Tenant may sublet any part of the Property at any time and from time to time to such Occupancy Tenants upon such terms and conditions as Tenant shall deem fit and proper.

20.2 Landlord hereby agrees, for the benefit of any Occupancy Tenant under any sublease for use or occupancy of space in or on the Improvements or the Property which meet the requirements of this Article 20 and which meet the following criteria, that, upon termination of this Lease (and notwithstanding any contrary provision required to be included in such leases pursuant to Section 20.3, below,

but only as long as such person has satisfied its attornment obligations as provided in said Section 20.3) it will recognize and give effect to all such subleases then in effect which (a) have priority over any Leasehold Mortgage or as to which the holders of any Leasehold Mortgage have entered into an agreement to recognize and give effect to such sublease in the event of a foreclosure of any Leasehold Mortgage, and (b) are so-called "net" leases containing requirements for the payment by such Occupancy Tenant of rental in monthly installments and additional rental for increases in real estate taxes and operating expenses as may have been (at the time of execution of such sublease) customary in leases of rehabilitated office space in the City of Boston. Landlord shall enter into recordable instruments with any such occupancy tenant as requested by the Tenant, embodying the provisions of this Section 20.2 provided that such instrument requires, as a condition of the Landlord's obligation, that such person shall attorn to Landlord simultaneously with such termination (i.e., each such person shall agree directly with the Landlord, by written instrument reasonably satisfactory to the Landlord, that it will perform all its obligations as subtenant under such sublease for the benefit of Landlord, as if Landlord were the sub-landlord named in the sublease).

The Tenant covenants and agrees that in the event of the cancellation or termination of this Lease prior to the expiration of the term hereof, unless Landlord shall have previously agreed in writing to recognize any such

leases or subleases following the expiration or sooner termination of this Lease, Landlord shall have the option to terminate or cancel each such lease or sublease; provided, with regard to (i) leases or subleases which Landlord shall have agreed in writing to so recognize, and (ii) leases or subleases which Landlord does not elect to so cancel or terminate, the Occupancy Tenant under each such lease or sublease shall make full and complete attornment to Landlord for the balance of the term of such lease or sublease with the same force and effect as though said lease or sublease were originally made directly from the Landlord to the Occupancy Tenant.

20.3 Each sublease or lease entered into by the Tenant shall contain provisions substantially similar to the following provisions, unless Landlord shall otherwise specifically agree:

"If, at any time during the term of this lease, the landlord of the Demised Premises shall be the holder of a leasehold estate covering premises which include the Demised Premises, and if such leasehold estate shall terminate or be terminated for any reason, the lessee agrees, at the election and upon demand of any owner of the premises which include the Demised Premises, to attorn, from time to time, to any such owner, upon the terms and conditions set forth herein, for the remainder of the term demised by this lease. The foregoing provisions shall inure to the benefit of any such owner, shall apply to the tenancy

of the lessee hereunder, and shall be self-operative upon any such demand, without requiring any further instrument to give effect to said provisions. The lessee hereunder, however, upon demand of any such owner, agrees to execute, from time to time, an instrument in confirmation of the foregoing provisions, satisfactory to such owner, in which the lessee shall acknowledge such attornment and shall set forth the terms and conditions of its tenancy, which shall be the same as those set forth herein and shall apply for the remainder of the term originally demised in this lease. However, until such owner shall require such attornment, or shall otherwise elect, the lessee shall pay to such owner, from and after the time of such termination, the rent and all other charges payable by the lessee and shall perform, for the benefit of such owner, all obligations of the lessee to be performed under its lease. Nothing contained in this paragraph shall be construed to impair any right, privilege or option of any such owner."

ARTICLE 21

LANDLORD'S SECURITY INTEREST; COVENANT

AGAINST ENCUMBRANCES; ASSIGNMENT OF SUBLEASES

21.1 Further to secure the performance of all the obligations of the Tenant under this Lease and subject to Section 21.6, the Tenant hereby grants, bargains, sells and

mortgages to the Landlord all right, title and interest of the Tenant in and to all equipment, goods, chattels and personal property located upon the Property and owned by the Tenant, and agrees to execute such financing statements as may be required by the Uniform Commercial Code as enacted and in force in the Commonwealth of Massachusetts, from time to time, to perfect the security interest intended to be created hereby. The Tenant hereby assigns to the Landlord all the rents, issues, profits and income under all present and future leases or subleases of all or any portion of the Property to secure the payment of the rents and all other charges payable by the Tenant under this Lease, as well as to secure the performance of all the covenants and provisions of the Tenant under this Lease, the non-occurrence of conditions under this Lease which confer upon the Landlord the right to terminate the same, or cause the termination of the same; and the Landlord shall be entitled, as a matter of right, to have a receiver appointed to take possession of the Property with power to collect the rents, issues, profits and income of the Property and relet the same under order of court or otherwise.

The Landlord agrees that, until a default shall occur hereunder, as to which notice has been given and the time within which to cure has elapsed, the Tenant may, subject to the rights and obligations of any Leasehold Mortgagee set out Under Article 23 hereof (and whether such rights exist under its Leasehold Mortgage or documents

given to it as supplemental security for its loan) collect, receive and enjoy the rents, issues, profits and income of the Leased Premises, but the rents shall not be collected more than one month in advance of the due date thereof and no money shall be demanded in advance of the due date.

21.2 The Tenant shall have no right or power to, and the Tenant shall not in any way, encumber the fee simple title of the Landlord in and to the Leased Premises or the interest of the Landlord in the Improvements and the Building Service Equipment, nor shall such fee simple estate or other interest of the Landlord be in any way subject to any claim against the Tenant by way of lien, or otherwise, whether arising by operation of law, by express or implied contract or in any other manner, and any such encumbrance or claim by way of lien or otherwise upon the Leased Premises or the Improvements, whether arising by operation of law, by any act or omission of the Tenant or in any other manner, shall accrue only against the leasehold estate of the Tenant and the interest of the Tenant in the Improvements and the Building Service Equipment.

If any such encumbrance or claim by way of lien or otherwise shall exist or be asserted against the fee simple title of the Landlord in and to the Leased Premises or against the interest of the Landlord in the Improvements and the Building Service Equipment, then, in addition to any other right or remedy which the Landlord may have under this Lease or at law or in equity, the Landlord shall have the right, without any obligation to do so, to discharge or

pay the same, including the payment of penalties, interest and costs claimed to be due, provided Tenant shall first have been notified of Landlord's intent to take such action and Tenant shall have failed to pay or cause to be discharged such encumbrance or lien within sixty (60) days thereafter. All amounts paid and all costs and expenses incurred by the Landlord (including reasonable attorneys' fees) pursuant to the provisions of this Section, together with interest thereon from the date of any payment or expenditure by Landlord at the annual rate hereinafter set forth, shall constitute additional rent hereunder and shall be payable by Tenant to the Landlord on demand.

21.3 Subject to Section 21.6, the Tenant hereby assigns to the Landlord all existing subleases affecting the Leased Premises and the Property, or any part hereof, and shall and does hereby assign any future subleases to the Landlord upon execution thereof, as further security for the payment of the rent reserved hereunder and for the performance of the covenants and provisions contained in this Lease. Such assignment of future subleases to the Landlord shall be in form satisfactory to the Landlord, and this assignment and any future assignments shall permit the Tenant to continue to collect the money falling due under such subleases, but not more than one month in advance, so long as there shall be no default under this Lease as to which notice has been given.

The Tenant covenants and agrees under this assignment and under any future assignment that it will not

modify any such subleases so as to reduce the rent, shorten the term or otherwise reduce to any material extent the obligations of any Occupancy Tenant under its sublease, provided that the foregoing shall in no way limit or restrict Tenant's ability to exercise any rights or remedies (including termination) in the event of default by an Occupancy Tenant under its sublease. The Tenant agrees to execute such instruments in confirmation of this assignment, containing such terms and provisions as the Landlord may reasonably require, consistent with the provisions of this Section 21.3.

21.4 The Tenant covenants and agrees to keep, perform and observe all the terms, covenants, provisions and conditions required to be performed and observed by the Tenant under each sublease now or hereafter made, to the end that all things shall be done which are necessary to keep unimpaired the Tenant's rights under each lease or sublease, and diligently to pursue the remedies legally available to the Tenant to require each Occupancy Tenant to keep, perform and observe all of the covenants, provisions and conditions contained in such sublease on the part of such persons to be kept, performed and observed. In the event that the Tenant shall neglect, refuse or fail to do so, the Landlord shall, after fifteen (15) days prior notice to Tenant of Landlord's intent to do so, have the right, without limiting other remedies available to Landlord, to perform and comply with such sublease covenants, agreements and provisions, or may, in the name

of the Tenant, pursue all remedies available to the Tenant as landlord or sublandlord to enforce compliance by said lessee or sublessee with said sublease covenants, agreements, and provisions, and any and all sums expended by the Landlord in performance and compliance therewith, or in the enforcement of such performance or compliance, including costs, expenses and attorneys' fees, shall bear interest from the date of any such expenditures at the annual rate hereinafter set forth until repaid, and shall be paid by the Tenant to the Landlord upon demand and shall constitute additional rent hereunder.

21.5 The assignment by the Tenant to the Landlord of the Tenant's interest in any sublease, or the money payable thereunder, shall not constitute an assumption by the Landlord of any obligations of the Tenant thereunder, unless and until the Landlord shall specifically otherwise elect; and all subleases executed by the Tenant shall so provide, unless the Landlord shall otherwise consent in writing.

21.6 So long as this Lease shall be in effect and no default shall exist hereunder and, if the interested Leasehold Mortgagee shall be in compliance with provisions hereof then applicable to it, then the rights and interests granted to Landlord under the provisions of Sections 21.1 and 21.3 of this Article 21 shall in all events be subject and subordinate to the rights and interests of such Leasehold Mortgagee under all the terms and provisions of any

such Leasehold Mortgage and any other instrument or agreement given to secure or in connection with its loan to Tenant.

ARTICLE 22

TITLE TO IMPROVEMENTS; SURRENDER OF THE PROPERTY

22.1 On the Lease Commencement Date Landlord shall possess, shall demise to Tenant and shall thereafter maintain good and clear record and marketable title to the Leased Premises, free from all liens and encumbrances and free of all tenants and occupants, subject only to the Permitted Exceptions. Landlord shall take no action nor permit any action or any failure to act which would result in or cause the creation of a lien or encumbrance upon the Leased Premises or otherwise cause title to or condition of the Leased Premises to fail to comply with the requirements of this Article 22. In furtherance and not in limitation of the foregoing, Landlord shall not take or permit any action in violation of the terms and provisions of the Deed from the General Services Administration of the United State of America to the Boston Redevelopment Authority recorded with Suffolk Registry of Deeds at Book 9182, Page 149.

22.2 Landlord and Tenant acknowledge and agree that title to the Improvements and the Building Service Equipment is, shall be and shall remain in the Tenant, until the termination of this Lease, however the same

occurs. However, Tenant agrees that its interest in the Improvements and the Building Service Equipment shall become subject to the terms and conditions of this Lease and that any grantees or assignees of its interest in the Improvements, the Building Service Equipment or this Lease shall take subject to and be bound by the terms and conditions of this Lease, expressly including the following provisions:

(a) Upon the expiration or earlier termination of this Lease, however the same occurs, title to the Improvements and the Building Service Equipment shall automatically vest in the Landlord and the Landlord shall be the sole and absolute owner thereof, free of any right, title, interest or estate of the Tenant, therein, without the execution of any further instrument and without payment of any money or other consideration thereof, except, only, that in the event of the termination of this Lease under circumstances allowing the Leasehold Mortgagee to obtain a new lease under the provisions of Section 23.3(h), and, if at that time the Leasehold Mortgagee shall exercise its rights under said Section 23.3(h), then subject to the Landlord's security interest as outlined in Article 21, the Tenant's interest in the Improvements and the Building Service Equipment, to the extent then existing, shall automatically pass to, vest in and belong to the Leasehold Mortgagee, or any permitted successor to the Leasehold Mortgagee, until the

termination of such new lease, however the same occurs. The Tenant shall execute such further assurances of title as may be requisite. The Tenant hereby grants, releases, transfers, sets over, assigns and conveys to the Landlord all of its right, title and interest in and to the Improvements and the Building Service Equipment effective upon the termination or expiration of this Lease. Nothing herein contained shall adversely affect Tenant's title to the Improvements and the Building Service Equipment and any right that the Tenant may have to quiet enjoyment and possession so long as this Lease shall continue in force and effect and the Tenant shall not be in default hereunder. Further, until the termination of this Lease, Tenant alone may claim depreciation of the Improvements and Building Service Equipment for all taxation purposes to the extent that it may legally be entitled to make such claim.

(b) The Tenant shall, upon such termination, well and truly surrender and deliver the Leased Premises and deliver the Improvements and the Building Service Equipment, excepting any subtenant's moveable trade fixtures, machinery, equipment and personal property (without any payment or allowance whatever to the Tenant on account of or for the Improvements and the Building Service Equipment or any part thereof) to the possession and use of the Landlord, without fraud or delay and in the same order and condition

originally constructed, as from time to time altered not in violation of this Lease, ordinary wear and tear only excepted.

(c) The Tenant covenants and agrees that, without the prior written consent of the Landlord, it will not execute and deliver or renew any sublease to a subtenant which would extend beyond the then term of this Lease (and for the purposes of this provision any rights of extension in any sublease shall be treated as having been exercised by the subtenant), it being the intention of the parties that, except as the Landlord may otherwise agree, the Landlord, at the termination of this Lease, shall be the sole owner of the Property, not subject to any lease or subtenant's rights of any kind.

(d) The Landlord, upon termination of this Lease for any reason, may, without notice, (any notice to quit or intention to re-enter required by law being expressly waived by the Tenant), re-enter upon the Property and possess itself thereof by summary proceedings, ejectment or otherwise, and may dispossess the Tenant and remove the Tenant and all other persons and property from the Property which it may elect so to dispossess, to the extent that it has not theretofore otherwise agreed, and may enjoy the Property and have the right to receive all rents income from the same, without hindrance or interference from the Tenant or anyone claiming by, through or under the

Tenant. Any personal property of the Tenant remaining on the Property beyond thirty (30) days after termination of this Lease shall be treated as having been abandoned by it and be retained by the Landlord as its sole property or be disposed of, without liability or accountability, as the Landlord sees fit.

22.3 Tenant shall execute such documentation as Landlord may require to transfer or confirm transfer title to the Improvements and Building Service Equipment to Landlord, as hereinabove set forth.

22.4 If any rule of law shall forbid or frustrate the vesting in Landlord of the title to the Improvements and the Building Services Equipment in accordance with the provisions of this Article, then such vesting of title shall occur not later than twenty-one (21) years after the death of _____ (child of _____ presently of _____, Massachusetts), _____ (child of _____ presently of _____, Massachusetts) or _____ (children of _____, presently of _____, Massachusetts). In the event such vesting shall occur due to the provisions of this paragraph and prior to the expiration or other termination of this Lease, this Lease shall continue in full force and effect.

ARTICLE 23

LEASEHOLD MORTGAGES

23.1 Notwithstanding any other provisions of this Lease, the Tenant shall at all times and from time to time have the right to encumber, pledge or convey all, of its leasehold estate in the Leased Premises, its title to and interest in the Improvements and its title and interest in the Building Service Equipment by way of a bona fide Leasehold Mortgage (and, where appropriate, by grant of a security interest under the Uniform Commercial Code) to secure the payment of any loan or loans obtained by Tenant; provided, however, that Tenant shall give prior written notice to Landlord of its intent to exercise such rights hereunder, including in such notice the name(s) and address(es) of such Leasehold Mortgagee and any other information regarding Leasehold Mortgage and mortgage documents which Landlord may reasonably require.

23.2 (a) If a Leasehold Mortgagee, through the operation of its contract to finance or refinance the Improvements and the Building Service Equipment, or by foreclosure, acquires Tenant's entire interest in the Property prior to the completion of the Improvements and the Building Service Equipment, and the Leasehold Mortgagee has complied with the provisions of Section 23.3 hereof, the Leasehold Mortgagee shall have the following options:

(i) by itself, its agent, designee or nominee, complete construction of the Improvements in accordance with the approved Final Working Drawings and Specifications and this Lease, and in all respects comply with the provisions of this Lease;

(ii) with the prior written consent of Landlord, which shall not be unreasonably withheld or delayed, sell, assign or transfer Tenant's entire interest in the Property to a purchaser, assignee or transferee acceptable to Landlord who shall expressly assume all of the covenants, agreements and obligations of the Tenant and shall be entitled to all the rights and benefits of Tenant under this Lease in respect of the Property by written instrument satisfactory to the Landlord and recorded forthwith in the Suffolk County Registry of Deeds and the mortgagee of such purchaser, assignee or transferee shall be entitled to all of the rights of the Leasehold Mortgagee of Tenant provided the mortgagee is a Qualifying Leasehold Mortgagee, except that the consent of the Landlord shall not be required with respect to any sale, assignment or transfer of Tenant's entire interest in the Property to the Leasehold Mortgagee, its agent, designee or nominee,

provided that such agent, designee or nominee is a wholly owned subsidiary of the Leasehold Mortgagee, or

(iii) reconvey the entire interest of Tenant in the Property to the Landlord.

For purposes of subparagraph (ii), Landlord in any event agrees that within thirty (30) days of a request for Landlord's consent to any sale, assignment or transfer Landlord shall grant or deny its consent thereto. In the event that Landlord fails to grant or deny to any such request shall be accompanied by an explanation for the reasons of such denial.

(b) To obtain the benefit of one of the options under paragraph 23.2(a), the Leasehold Mortgagee must notify Landlord of the option it elects within sixty (60) days after it shall acquire title to or possession of the Property (whichever shall last occur). In the event that a Leasehold Mortgagee elects to complete construction pursuant to subparagraph (a)(i), above, or sells, assigns or transfers pursuant to subparagraph (a)(ii), above, the Landlord shall extend the time limits set forth in this Lease only as shall be reasonably necessary to complete the Improvements and the Building Service Equipment and, upon such completion, the Leasehold Mortgagee or purchaser of the leasehold estate, as the case may be, shall be entitled to the same rights, benefits and privileges available to Tenant hereunder, including Tenant's

right to a Certificate of Completion pursuant to Section 7.12.

23.3 If a Leasehold Mortgagee shall, by written notice to the Landlord given within thirty (30) days of the execution, delivery and recording of a Leasehold Mortgage, notify Landlord thereof of the name and address of the Leasehold Mortgagee for notice purposes, and of the recording reference of its Leasehold Mortgage, and with such notice shall furnish to the Landlord a true copy of its Leasehold Mortgage, Landlord agrees that so long as such Leasehold Mortgage shall remain unsatisfied of record, or until written notice of satisfaction thereof is given by the Leasehold Mortgagee to Landlord (whichever shall first occur) the following provisions shall apply:

(a) Landlord shall, promptly upon receipt of a communication purporting to constitute the notice provided for in the foregoing provisions of this Section 23.3, either provide the Leasehold Mortgagee submitting such communication with a written confirmation of the receipt of such communication and that the same constitutes the notice provided for in the foregoing provisions of this Section 23.3, or notify the Tenant in writing and such Leasehold Mortgagee of the rejection of such communication as not conforming with the foregoing provisions of this Section 23.3 and specifying the basis for such rejection. Each Leasehold Mortgagee which notifies Landlord in con-

formity with the foregoing provisions of this Section 23.3 is referred to in the following provisions of this Section 23.3 as a "Qualifying Leasehold Mortgagee";

(b) In the event of any assignment of a Leasehold Mortgage or in the event of a change of address for notice purposes of a Qualifying Leasehold Mortgagee or of an assignee of any such Leasehold Mortgagee, notice of the new name and address for notice purposes shall be provided to Landlord as a condition to the continued availability of the rights hereunder of a Qualifying Leasehold Mortgagee;

(c) There shall be no cancellation, surrender, termination or modification of this Lease by joint action of Landlord and Tenant, or termination of this Lease by unilateral action of Tenant under the provisions of this Lease permitting such termination by Tenant, without in each case first securing the prior written consent of each Qualifying Leasehold Mortgagee;

(d) The Landlord shall, upon giving Tenant any notice of default, simultaneously give a copy of such notice to each Qualifying Leasehold Mortgagee and no notice of default given to Tenant shall be effective until a copy thereof has been given to each Qualifying Leasehold Mortgagee. Wherever in this Lease notice is to be given to a Qualifying Leasehold Mortgagee at its address specified in accordance with the foregoing provisions of this Section 23.3 and otherwise

complying with the terms of the notice provisions of this Lease, such notice shall conclusively be treated as having been "given" within the meaning of the respective provisions calling for notice to a Qualifying Leasehold Mortgagee;

(e) Each Qualifying Leasehold Mortgagee shall have the same period, after such notice has been given to it, for remedying any default or causing the same to be remedied, as is given Tenant after the giving of such notice to Tenant, plus (x) in the case of a default in the payment of the Base Rent or the Percentage Rent, an additional period of ten (10) days, and (y) in the case of any other default, an additional period of thirty (30) days, and if such default cannot with due diligence be cured within such additional thirty (30) day period, an additional time thereafter, provided that such cure is initiated during such additional thirty (30) day period and thereafter, the curing of the same is prosecuted with diligence, and Landlord shall accept such performance by a Qualifying Leasehold Mortgagee as if performed by Tenant;

(f) Upon provisions of this Section 23.3 and otherwise complying with the terms of the notice provisions of this Lease, such notice shall conclusively be treated as having been "given" within the meaning of the respective provisions calling for notice to a Qualifying Leasehold Mortgagee;

Default set forth in subsections (d), (e), (f), (g) or (h) of Section 18.2 of this Lease, the Landlord shall give notice thereof to each of the Qualifying Leasehold Mortgagees promptly after Landlord shall have knowledge of the happening of such event;

(g) In the case of any default by Tenant which is not susceptible of being cured by any Qualifying Leasehold Mortgagee, Landlord agrees that it will take no action to effect a termination of this Lease by reason of such default without first giving to each Qualifying Leasehold Mortgagee a reasonable period of time after notice under either (d) or (f), above, to obtain possession of the Leased Premises and to cure such default, in the case of a default which can be cured upon the obtaining of possession, or to institute foreclosure proceedings and to complete such foreclosure or otherwise to acquire the interest of Tenant under this Lease with diligence and without delay, in the case of a default which cannot be cured by any Qualifying Leasehold Mortgagee; provided, however, (i) that the period for obtaining possession or acquiring the interests of Tenant by foreclosure or otherwise, as the case may be, shall be extended for the period during which such action is enjoined or stayed, (ii) that such Qualifying Leasehold Mortgagee shall pay or cause to be paid the Base Rent, Percentage Rent and other monetary obligations of

Tenant under this Lease as the same become due, and to continue good faith efforts to perform all of Tenant's other obligations under this Lease which are susceptible of being performed by such Qualifying Leasehold Mortgagee, during the period of such forbearance, and (iii) that nothing herein shall require any Qualifying Leasehold Mortgagee to begin or continue such possession or foreclosure proceedings or preclude Landlord from exercising (subject to the provisions of this Article 23) any rights or remedies under this Lease with respect to any other defaults by Tenant during the period of such forbearance;

(h) In the event of a termination of this Lease for any reason other than by expiration of the term, the Qualifying Leasehold Mortgagee holding the senior Leasehold Mortgage shall have the right, in addition to the foregoing rights, to elect to demand a new lease of the Leased Premises, exercisable by notice in writing to the Landlord within sixty (60) days after the giving of notice by Landlord to each Qualifying Leasehold Mortgagee of such termination, for the balance of the term hereof effective as of the date of such termination, at the Base Rent, Percentage Rent and additional rent and upon all of the other terms, provisions, covenants and agreements set forth in this Lease except that Landlord shall not be required to warrant and defend the right of possession of the

Tenant under such new lease against the Tenant herein or anyone claiming by, through or under the Tenant; provided that, concurrently with the delivery of such notice, the Leasehold Mortgagee shall have performed and thereafter shall continue to perform all obligations of Tenant hereunder capable of being performed by such Qualifying Leasehold Mortgagee which would have accrued hereunder had this Lease remained in force until the time of such delivery. The Parties shall act promptly after such notice and performance to execute such new lease. Any such new lease shall be superior and not subordinate to any mortgage upon Landlord's fee interest in the Leased Premises hereafter given; and any such new lease may, at the option of such Qualifying Leasehold Mortgagee, name as tenant a nominee of such Qualifying Leasehold Mortgagee. If as a result of any such termination the Landlord shall succeed to the interests of Tenant under any sublease of the Leased Premises or any portion thereof, Landlord shall execute and deliver an assignment of all such interests to the tenant under the new lease simultaneously with the delivery of such new lease;

(i) The Leasehold Mortgagee shall be given notice of any arbitration of this Lease, and shall have the right to intervene therein and be made a party to such proceedings, and the parties hereto do hereby consent to such intervention.

23.4 The term "Leasehold Mortgage" as used in this Article means one or more Leasehold Mortgages to an Institution which constitute from time to time a first or second lien on Tenant's entire interest in the Property, but in no event shall the aggregate original principal amounts thereof exceed, or be subsequently increased to exceed, Total Project costs unless the conditions set forth in the following paragraph have been satisfied. Except as set forth in the preceding sentence, the terms of any Leasehold Mortgage may be as the Tenant may negotiate with any Leasehold Mortgagee. The rights provided in this Article 23 may be exercised only by such Institution as is a lienholder in such first or second position which becomes a Qualifying Leasehold Mortgagee and not by any other subordinate Leasehold Mortgagees, all such other subordinate Leasehold Mortgagees being hereby expressly prohibited. A deed of trust or other form of security deed shall be treated as the equivalent of a mortgage.

Tenant shall not grant a Leasehold Mortgage securing financing in excess of Total Project Costs unless the following terms are satisfied with respect to the financing secured by such Leasehold Mortgage:

1. The amount of financing shall be such that the Net Cash Flow for the most recently-ended Lease Year shall be equal to or greater than 115% of all annual payments, including debt service, due the Institution on account of such financing. For the

purposes of this provision, Net Cash Flow shall be computed without the Allowed Deduction specified in Section 3.1C(3)(c).

2. The "loan/value ratio" shall not exceed 0.80. For these purposes "loan/value ratio" means a fraction, the numerator of which is the amount of such financing and the denominator of which is the then fair market value of the Tenant's leasehold interest in the Property (determined by an independent MAI appraiser selected by Tenant and approved by Landlord);

3. The maturity of any such financing shall not be less than ten (10) years and annual payments, including debt service, due the Institution on account of such financing shall be constant except that a "balloon" payment may be provided at the end of the term of such financing;

4. The documentation, terms and conditions of the proposed Leasehold Mortgage must be reasonably satisfactory to counsel for the Landlord and be consistent with the provisions of this Lease;

5. The Tenant shall reimburse the Landlord for all reasonable costs and expenses incurred by Landlord incident to responding to any approval requested for any such Leasehold Mortgage financing, including the cost of any appraiser or expert hired by Landlord with respect thereto. Such costs and expenses shall be

reimbursed to Landlord upon request and shall be promptly paid, whether or not the Landlord shall approve any proposed financing; and

6. The amount by which any Leasehold Mortgage exceeds Total Project Costs, Landlord's consent to the granting of such Leasehold Mortgage shall be required, and such consent shall not be unreasonably withheld.

23.5 Notwithstanding anything else herein contained to the contrary, if the holder (who is also a Qualifying Leasehold Mortgagee) of any Leasehold Mortgage expressly permitted hereby and constituting a First Lien on Tenant's leasehold estate shall, in good faith and without intent not as pretext to deprive the Landlord of its benefits hereunder, foreclose such Leasehold Mortgage and acquire such leasehold estate or in good faith accept a transfer of the Property from Tenant in lieu of foreclosure, or in good faith acquire such leasehold estate pursuant to the provisions of Section 23.3(h), the obligation of the Tenant to pay Percentage Rent shall thereafter cease and be of no further force and effect.

ARTICLE 24

HOLDING OVER

24.1 This Lease shall terminate without further notice at the expiration of the term, unless extended as herein expressly provided. Any holding over by Tenant after expiration shall not constitute a renewal or extension or

give Tenant any rights in or to the Property except as expressly provided in this Lease.

ARTICLE 26

QUIET ENJOYMENT; ENCROACHMENTS AND VAULTS;

LIMITATION OF LIABILITY

26.1 The Landlord covenants that Tenant, upon paying the annual rent and all other charges herein provided for, and observing and keeping the covenants, agreements and conditions of this Lease on its part to be kept, shall lawfully and quietly hold, occupy and enjoy the Leased Premises during the term of this Lease, without hindrance or molestation of the Landlord, or any person or persons claiming under or through the Landlord, subject to the Permitted Exceptions and any other matters expressly

hereinabove set forth; provided, however, that this covenant shall not extend to any vault, subway entrance, sub-sidewalk, sub-alley, or sub-street, if any, now or hereafter used incident to or as an appurtenance to the Leased Premises, nor to any encroachments of the Improvements on premises other than the Leased Premises, including, but not limited to, the encroachment of any present or future building, wall or structure, either on the Leased Premises or on any property adjacent thereto, and the Landlord shall not be liable for any such encroachments, but the Tenant agrees to indemnify and save harmless the Landlord during the term of this Lease from and against any and all liability, penalty, damages, expense and judgment, whatsoever, on account of the location of any building, wall, structure or other encroachment on or partly on the Leased Premises, or on or partly on any property adjacent thereto.

Neither Landlord nor Tenant (and if Tenant is a partnership, joint venture or trust, no partner general or limited, venturer, trustee or beneficiary thereof) shall be personally liable for any of their respective obligations hereunder, and in the event of a claim by either party against the other, the claimant shall look solely to the interests of Landlord or Tenant in the Property, as the case may be, and not to any other assets for satisfaction of such claim.

The Landlord named herein, and its respective successors in title to the Landlord's interest under this

Lease, shall be liable only for breaches occurring during its or their respective ownership of such Landlord's interest hereunder, and the Landlord shall never be liable to the Tenant for consequential damages arising out of defaults by Landlord hereunder on the basis of facts actually known to it at the time of any such default by Landlord.

26.2 It is expressly understood and agreed that all vaults now or hereafter built, projecting beyond the building line of the Leased Premises, are not included within the premises demised by this Lease, but the Tenant may occupy and use the same during the term of this Lease, subject to such laws, rules and regulations as may be imposed by the appropriate municipal departments with respect thereto. No revocation on the part of any municipal department or authority of the license to maintain and use such vaults shall in any way effect this Lease or the amount of the Base Rent, Percentage Rent, or any other charges payable by the Tenant hereunder. If any such license so to maintain and use such vaults shall be revoked, Tenant will, at its sole cost and expense, do and perform all such work as may be necessary to comply with any order revoking the same.

ARTICLE 27

ESTOPPEL CERTIFICATE

27.1 The Tenant and the Landlord agree at any time, and from time to time, upon not less than ten (10) business days' prior written notice by the one of them requesting the same, to execute, acknowledge and deliver to the other party and to a Qualified Leasehold Mortgagee which so requests, a statement in writing, certifying that this Lease is unmodified and in full force and effect (or, if there have been modifications, that the same is in full force and effect as modified, and stating the modifications), and the dates to which the annual rent and other charges have been paid in advance, if any, and stating whether or not, to the best knowledge of the party executing such statement, there are defaults under this Lease, and, if so, specifying each such default, it being intended that any such statement delivered pursuant to this Article may be relied upon by any prospective purchaser or assignee of the fee or leasehold or any Leasehold Mortgagee or assignee of any Leasehold Mortgagee.

ARTICLE 28

REMEDIES CUMULATIVE

28.1 The specified remedies to which the Landlord or Tenant may resort under the terms of this Lease are cumulative and are not intended to be exclusive of any other remedies or means of redress to which the Landlord or Tenant may be lawfully entitled in case of any breach or

threatened breach by the Landlord or Tenant, as the case may be, or any provision of this Lease. The failure of the Landlord or Tenant to insist in any one or more cases upon the strict performance of any of the covenants of this Lease, or to exercise any option herein contained, shall not be construed as a waiver or a relinquishment for the future of such covenant or option.

28.2 A receipt by the Landlord of rents, with knowledge of the breach of any covenant hereof, shall not be a waiver of such breach, and no waiver by the Landlord of any provision of this Lease shall be effective unless in writing and signed by the Landlord. Acceptance by Landlord (including, without limitation, of any draft remitting the same) of payments in amounts less than due the Landlord shall be treated as payments on account to the extent thereof, notwithstanding any statement of endorsement on or accompanying the same; and the acceptance by the Landlord from any person other than the Tenant on account of the Tenant's obligations shall not be treated as a waiver by the Landlord of any right the Landlord may have on account of an improper transfer of the Tenant's interest under this Lease.

28.3 In addition to the other remedies provided in this Lease, the Landlord or the Tenant shall be entitled to restraint of the other, as the case may be, by injunction of the violation or attempted or threatened violation, of any of the covenants, conditions and provisions of this

Lease.

ARTICLE 29

SURRENDER NOT A MERGER

29.1 The voluntary or other surrender of this Lease by Tenant, or a mutual cancellation thereof, shall not work a merger and shall, at the option of Landlord, operate as an assignment to Landlord of any and/or all subleases of subtenants.

ARTICLE 30

ATTORNEYS' FEES AND OTHER COSTS

30.1 In the event either party shall bring any action or legal proceedings for damages for an alleged breach of any provision of this Lease, or to enforce, protect, determine or establish any term or covenant of this Lease or right of such party, or in the case of Landlord to recover rent or to terminate the tenancy of the Leased Premises, and if, in such event, the party bringing the action or proceeding shall prevail (by settlement or otherwise) or substantially prevail in any such action or legal proceeding, then the prevailing party shall be entitled to recover from the other party as a part of such action or proceedings, or in a separate action brought for that purpose, reasonable attorneys' fees and court costs.

30.2 It is anticipated that, from time to time during

the term of this Lease, the Landlord shall require the advice of counsel or other professional consultants in the examination of requests submitted by the Tenant, review and approval of documentation required from time to time to be provided by the Tenant to the Landlord under this Lease, and otherwise in the review of the exercise by the Tenant of any of its rights hereunder.

Accordingly, without limiting the Landlord's right to recover the reasonable fees and expenses of counsel incident to enforcing its obligations on default or breach of condition by the Tenant, the Tenant agrees to pay the Landlord reasonable fees and expenses of counsel and other professional consultants (but only to the extent not on the full time payroll of Landlord) incurred by the Landlord on account of services rendered incident to disposition of requests made by the Tenant under this Lease, including, without limitation, review and preparation of documentation required incident thereto, or in services rendered to the Landlord incident to the exercise by the Tenant of its rights hereunder which requires review or preparation of documentation, such as review and preparation of documentation in compliance with the Tenant's request that the Landlord enter into an agreement with a Leasehold Mortgagee of the type referred to in Article 23 hereof, all to the end that the rent paid by the Tenant shall be absolutely net to the Landlord; and the Landlord shall have the right to treat any such fees as

additional rent, for the recovery of which the Landlord shall have all the remedies provided herein and such fees shall be an Allowed Deduction pursuant to Article 3, Section 3.1 (C) (3); but excluding from the operation of the foregoing provisions of this paragraph all such fees and expenses incurred incident to the Landlord's consideration of submissions or requests for approval, consent or the like where, under the terms of this Lease such submission, consent, approval or the like is required as a condition to an act by Tenant.

(a) Below-grade footing easements as shown on Exhibit A-1 attached hereto, which easements shall be deemed to include the right of access to such footings for maintenance and repair purposes.

(b) As easement for travel by foot or vehicle along all streets and ways in said Historic Monument Parcel; all as shown on the plan entitled "Boston Redevelopment Authority, City of Boston - Suffolk County - Massachusetts, Boston Naval Shipyard - Charlestown, Land Parcel Plan Alternate I Revised by Parsons, Brinkerhoff, Quade & Douglas, Inc., dated May 31, 1978, recorded in the Suffolk County Registry of Deeds at Book 9182, Page 149 as they may now or hereafter exist or be relocated, through their respective courses, for all purposes for which streets and ways may be used in the City of Boston from time to time; provided any said street or way may be eliminated by the Landlord or its successors so long

as it does not substantially interfere with the beneficial use of this easement.

(c) Easements (i) to use and connect from all parts of the Leased Premises into all present and future utility systems and appurtenances located within the Historic Monument Parcel, including but not limited to, water, sewer, electric, gas, oil, steam conduits, terminals, power stations, storage tanks and other distribution systems and power sources, (ii) to install any new utility service, including the aforesaid streets and ways as the same may now or hereafter exist or be relocated, and to connect into same from all parts of the Leased Premises and, (iii) to enter upon said Historic Monument Parcel to connect into any of the utility service systems described above and to install, maintain, relocate, enlarge, repair and replace any or all of the above-described utility systems.

ARTICLE 32

NON-DISCRIMINATION; EMPLOYMENT; NO CONFLICTS

32.1 Tenant, for itself and all successors and assigns, agrees that in the redevelopment of the Leased Premises and in all construction activity undertaken with respect thereto:

(a) Tenant will not discriminate against any employee or applicant for employment because of race, color, sex, religion, age or national origin. Tenant shall take affirmative action to ensure that applicants are employed, and that employees are treated during their employment without regard to race, color, sex, religion, age or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or compensation and selection for training, including apprenticeship. Tenant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause.

(b) Tenant will, in all solicitations or advertisements for employees placed by or on behalf of Tenant, state all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age or national origin.

(c) Tenant will send to each labor union or

representative of workers with which Tenant has a collective bargaining agreement or other contract or understanding, a notice to be provided, advising the said labor union or workers' representative of Tenant's commitments under Section 202 of Executive Order #11246 of September 24, 1965, as amended by Executive Order #11375 of October 13, 1967, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(d) Tenant will comply with all provisions of Executive Order #11246 of September 24, 1965, as amended by Executive Order #11375 of October 13, 1967, and the rules, regulations and relevant orders of the Secretary of Labor.

(e) Tenant will furnish all information and reports required by Executive Order #11246 of September 24, 1965, as amended by Executive Order #11375 of October 13, 1967, and by the rules, regulations and orders of the Secretary of Labor pursuant thereto, and will permit access to Tenant's books, records and accounts by the Landlord the Secretary of Housing and Urban Development, and the Secretary of Labor, for purposes of investigation to ascertain compliance with such rules, regulations and orders.

(f) In the event of Tenant's noncompliance with the nondiscrimination clauses of this Section 32.1 or

with any of the said rules, regulations or orders, upon written notice to Tenant, and the continuance of such noncompliance for sixty (60) days thereafter, Tenant may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order #11246 of September 24, 1965, as amended by Executive Order #11375 of October 13, 1967, and such other sanctions may be imposed and remedies invoked as provided in Executive Order #11246 of September 24, 1965, as amended by Executive Order #11375 of October 13, 1967, or by rules, regulations or orders of the Secretary of Labor, or as otherwise provided by law.

(g) Tenant will include the provisions of paragraph (a) through (g) of this Section 32.1 in every contract or purchase order, and will require the inclusion of these provisions in every subcontract entered into by any of its contractors, unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order #11246 of September 24, 1965, as amended by Executive Order #11375 of October 13, 1967, so that such provisions will be binding upon each such contractor, subcontractor or vendor as the case may be. Tenant will take such action with respect to any construction contract, subcontract or purchase order as the Landlord directs as a means of enforcing such

provisions, including sanctions for noncompliance; provided, however, that in the event Tenant becomes involved in or is threatened with litigation with a subcontractor or vendor as a result of such direction by the Landlord, Tenant may request the United States to enter into such litigation to protect the interest of the United States.

32.2 Tenant, for itself and all successors and assigns, agrees that in the redevelopment of the Leased Premises and in all construction activity undertaken with respect thereto, Tenant shall, prior to the issuance of any licenses or permit, execute a Boston Residents Construction Employment Plan which sets forth in detail the Tenant's plans to ensure that on a craft by craft basis, the following standards are met: (1) at least 50 percent of the total employee workerhours in each trade shall be by bona fide Boston residents, (2) at least 25 percent of the total employee workerhours in each trade shall be by minority persons, and (3) at least 10 percent of the total employee workerhours in each trade shall be women. (Workerhours shall include work performed by persons filling apprenticeship and on-the-job training positions.)

Such efforts shall include of the following:

(a) Tenant shall incorporate in every general construction contract or construction management agreement an enumeration of the foregoing worker hour goals and shall impose a responsibility upon the

contractor to pursue the efforts enumerated in this Section 32.2 and to incorporate such worker hour goals in all subcontracts and impose upon all subcontractors the obligation to pursue such efforts;

(b) Landlord, Tenant, contractor, and every subcontractor shall each designate an individual to serve as affirmative action officer for the purpose of carrying out the efforts to achieve worker hour goals set forth herein;

(c) Contemporaneously with the start of construction, the affirmative action officers and other interested representatives of the Landlord, Tenant, contractor, and each subcontractor then selected shall hold a pre-job conference with appropriate union representatives of the construction trade unions for the purpose of reviewing the worker hour goals applicable to the Improvements and the manning requirements for construction activity over the life of the construction period;

(d) Each request for qualified construction workers made by any person involved in the construction of the Improvements to a union hiring hall or business agency shall contain a recitation of such worker hour goals and a request that qualified referees for construction positions on the Improvements be selected in the same proportion as such goals; provided, however, that if at the time of any such

manning request the requesting party's workforce composition falls short of any one or more of such goals, such manning request shall seek qualified referrals in such proportion among such categories as would be necessary to more fully achieve such goals. In the event that the union hiring hall or business agent to which or to whom such a manning request has been submitted fails to comply with such request, the affirmative action officer of such requesting party shall seek to verify that insufficient workers in the categories specified in such request are then shown on the unemployed list maintained by such union hiring hall or business agent by seeking to obtain an affidavit from the union hiring hall representative or business agent to such effect. Copies of any affidavit so obtained shall be forwarded to the affirmative action officer of the Landlord.

(e) All persons applying directly to the contractor, or subcontractor for employment in construction on the project who are not employed by the party to whom application is made will be referred to the affirmative action officer of the Landlord and a written record of such referral shall be made, a copy of which shall be sent to such officer; and

(f) Tenant, contractor, and every subcontractor shall each maintain records reasonably necessary to

ascertain compliance with the requirements of this Section for at least one year after the issuance of the Certificate of Completion and will make the same available for inspection by the Landlord upon reasonable notice.

32.3 Tenant, for itself and all successors and assigns, further agrees that in the redevelopment of the Leased Premises, Tenant shall comply with the Mayor's Executive Order "Encouraging Minority Business Enterprise" dated June 28, 1978 effective July 1, 1978.

32.4 Tenant, for itself and all successors and assigns, further agrees that in the redevelopment of the Leased Premises, Tenant shall comply with the provisions of the First Source Agreement hereto as Exhibit "F", relating to employment positions for city residents.

32.5 No member of the Congress of the United States of America shall be admitted to any share or part thereof, or to any benefit to arise from this Lease. No member, official or employee of the Landlord shall have any personal interest, direct or indirect, in this Lease, nor shall any such member, official or employee participate in any decision relating to this Lease which affects his personal interest or the interests of any corporation, partnership or association which he directly or indirectly holds an interest as that term is defined in M.G.L. c. 268A.

32.6 No member, official or employee of the Landlord

shall be personally liable to Tenant in the event of any default or breach by the Landlord or for any amount which may become due to Tenant or on any obligations under the terms of this Lease.

ARTICLE 33

PARKING

33.1 Landlord acknowledges that the structure in the Charlestown Navy Yard known as Building 199 has been developed as the parking facility to service the occupants of the Charlestown Navy Yard. A minimum of five hundred (500) spaces are available to the occupants of the Charlestown Navy Yard, excluding the occupants of Building 149. Landlord pledges, subject to the provisions contained in the Ground Lease dated May 23, 1985 between the Boston Redevelopment Authority and Navy Yard Parking Associates/LNR Venture, to exercise its best efforts to assist the Tenant in obtaining access to parking spaces to meet its reasonable needs.

ARTICLE 34

GENERAL

34.1 The captions used in this Lease are for the purpose of convenience only and shall not be construed to define, limit or extend the meaning of any part of this

Lease.

34.2 Any executed copy of this Lease shall be deemed an original for all purposes.

34.3 In case any one or more of the provisions contained herein, except for the payment of rent, shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Lease, but this Lease shall be construed as if such invalid, illegal or unenforceable provision had not been contained herein. This Lease shall be construed and enforced in accordance with the laws of the Commonwealth of Massachusetts.

34.4 The language in all parts of this Lease shall in cases be construed as a whole according to its fair meaning, and not strictly for or against either Landlord or Tenant. When the context of this Lease requires, the neuter gender includes the masculine, the feminine, a partnership or corporation or joint venture, and the singular includes the plural.

34.5 Each term and provision of this Lease performable by Tenant shall be construed to be both a covenant and a condition conferring upon Landlord, in the event of breach of any such term or condition, the right to terminate this Lease in accordance with and subject to the provisions of Article 18 and Article 23. The termination or expiration of this Lease shall not terminate obligations

of the Tenant which remain unperformed at such time (for example, but without limitation, Tenant's obligation under Section 3.1E, hereof).

34.6 The covenants and agreements contained in this Lease shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns (to the extent this Lease is assignable under the terms hereof). The Landlord and Tenant each warrant and represent to the other that corporate or other action has been taken by the warranting party to authorize the execution and delivery of this Lease and that this Lease is valid and binding upon it in accordance with its terms.

34.7 The waiver by Landlord or Tenant or any breach of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition herein contained.

34.8 Each Party hereto agrees to act reasonably and in good faith with respect to the performance and fulfillment of the terms of each and every covenant and condition contained in this Lease, and with respect to the exercise of each and every right reserved herein, and wherever in this Lease the consent, approval or exercise of judgment or discretion of either Party is required or requested, such consent or approval shall not be withheld or delayed unreasonably and such judgment or discretion shall not be exercised arbitrarily, but shall be exercised reasonably

and promptly; provided, however, that this Section shall not apply to the exercise of the Landlord's rights under provisions of this Lease relating to its approval of matters involving signs and design and appearance of the Leased Premises and the Improvements, as to all of which Landlord's approvals shall be given or withheld in its sole discretion. The provision in the preceding sentence shall only be applicable, however, during the Landlord's ownership (or ownership by a successor governmental agency having urban planning responsibility) of the Leased Premises, but in no event shall this limitation be construed in any case as a contractual limitation on the exercise by the Landlord (or such successor agency) of the regulatory powers conferred upon the Landlord (or such successor agency) by any provision of general or special law now in effect or hereafter enacted.

34.9 Where interest is provided to be paid hereunder, the rate therefor, on an annualized basis, shall be computed quarterly at the base rate (or its reasonable equivalent) from time to time charged by the First National Bank of Boston, but in no event more than the amount, if any, which would violate applicable usury prohibitions.

34.10 The Landlord hereby agrees that it shall provide to the Tenant not less than thirty (30) days prior written notice with respect to any voluntary transfer or voluntary disposition of the Landlord's interest in the Leased Premises, provided, however, that failure to give

such notice shall not affect the validity of any transfer or disposition of the Landlord's interest.

34.11 In recognition of the importance to the Landlord of the maintenance, management and operation of the Property in a first-class manner consistent with that accorded like properties in the City of Boston, the Tenant agrees to have under written contract at all times a real estate management firm with recognized experience in the management of commercial property of type and use similar to the Leased Premises to provide management services customary for premises of the type, use and location of the Leased Premises.

34.12 It is hereby mutually agreed that between Landlord and Tenant that Landlord shall not, as the result of the rights granted in this Lease, be deemed or considered as co-owner, co-partner or co-venturer with Tenant in or with respect to the Leased Premises or the Property or with respect to any obligation of the Tenant under any sublease of any other contract, agreement or obligation in respect of the Leased Premises or the Property.

34.13 The Landlord hereby warrants and covenants for itself, its successors and assigns, that the above-described premises are being conveyed hereby specifically free and clear of any claim or lien by the City of Boston for any municipal charges, betterments or assessments allocable to the premises or to any larger area of which these premises are a part; and the Landlord hereby agrees

to indemnify and hold harmless and to defend the Tenant, its successors and assigns, from any such claims together with all costs and fees incurred in connection therewith.
